The Beauty Detox Solution

Internationally acclaimed nutrition and natural beauty expert David Wolfe, one of America's foremost nutrition experts, distills the five factors that lead to exceptional, lasting beauty. Each year, women absorb pounds of toxins through cosmetics and beauty products. These creams, lotions, and cleansers not only work against us—dehydrating our skin, clogging our organs with harmful toxins, and disrupting our hormone balance—they keep us bound to an “idea” of beauty, instead of helping us achieve the natural, radiant version of ourselves we long to set free. True beauty does not come from a product or a procedure, it comes from the inside out. David Wolfe's long-awaited, groundbreaking book reveals why a natural, toxin-free lifestyle is not only the best way to achieve lasting beauty, it is the only way. Under Wolfe's guidance, we learn easy and effective dietary and lifestyle changes like implementing organic superfoods and superherbs, and detoxifying the liver, kidneys, lungs, and colon with special tonics and supplements. Simply put, nature's most powerful foods are the beauty solution we have been waiting for. The strategies you'll find in *The Beauty Diet* are safe, effective, and most importantly, natural ways to slow the aging process, enjoy glowing skin and shining hair, with information you can use to look and feel better instantly and long-term. Featuring simple, delicious recipes (beauty has never tasted so good), a three-day beauty cleanse, a one week jumpstart, and smart tips for using clay, charcoal, supplements, and more, *The Beauty Diet* is the ultimate resource and the healthiest, most accessible path to beauty from the inside out.

When Hanna Sillitoe appeared on Dragons' Den, every Dragon offered her investment. In her first book, *Radiant*, she shares the lifestyle changes and recipes that transformed her life. For more than 20 years, Hanna suffered from severe psoriasis, eczema and acne - sometimes so badly that the only way to stop herself scratching was to wrap her body in clingfilm. When her doctor suggested the only remaining course of treatment was chemotherapy, she took matters into her own hands and cured herself through a change in diet and lifestyle. Beginning with a juice cleanse, Hanna takes you through a range of delicious, skin-loving meals including Turmeric and Ginger Chia Pudding, Immunity Ramen, Beet Burgers and even Clean Tiramisu. She also shows you how to create homemade beauty products, including an Avocado and Honey Facemask and Rosemary and Lemon Salt Scrub, which have gone on to inspire the eponymous skincare range for which she secured funding on BBC 2's Dragons' Den. Uplifting and inspiring for those who have been searching for the answer to seemingly unsolvable skin complaints, Hanna's programme is also suitable for those simply looking to improve their overall health and complexion. It's a recipe for good health and clear skin, from the inside out. Hanna is also the author of *Skin Healing Expert: Your 5 pillar plan for calm clear skin*

Eat Pretty Every Day

You've stocked your kitchen with whole foods, and cleansed your cabinets of processed snacks, microwavemeals, and sugary desserts. After putting all of that

effort into your natural, healthy lifestyle, it doesn't make a lot of sense to slather your body in chemical-laden commercially produced beauty products. You are what you eat, and your skin can absorb chemicals and additives just as easily as your stomach. With just a little extra effort, you can work handmade, natural beauty into your daily routine. The Natural Beauty Solution is a step-by-step guide to replacing commercial beauty products with a 100% natural routine. The Natural Beauty Solution features two-dozen easy-to-follow, customizable recipes for natural skin care. The ingredients and recipes not only provide a healthy alternative to mass-produced products, they make your skin and hair look their best, naturally. Common skin disorders, such as eczema, psoriasis, and acne are often aggravated by the chemical ingredients contained within commercial cosmetics. Chemical-based hair care can cause frizz, breakage, and scalp irritation. And, very often, it's the over the counter "cures" that are the very thing that cause common skin and hair care problems. By breaking the cycle with a natural beauty routine, you can give your body a true beauty reset. The Natural Beauty Solution will help you completely overhaul your medicine cabinet, show you how to create simple natural recipes that are quick and affordable, and troubleshoot natural beauty methods to fit your specific skin and hair type. The beautiful color photography, the insightful and inspiring editorial, and the easy to create natural recipes will have you re-examining -- and re-directing -- your entire beauty routine to a natural beauty solution.

A New York Times bestseller! Cofounder of the international beauty company Caudalíe shares the simple, natural, time-tested beauty secrets she learned growing up in France that any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudalíe, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudalíe into one of America's top beauty brands. Drawing on her company's twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in Bordeaux—The French Beauty Solution covers everything from how to use natural ingredients such as oil and honey to wash your face; what foods to eat for healthier hair, skin, and nails; and the amazing properties of grapes and grapeseed oil. She also introduces an easy three-day grape cleanse that European aristocrats have been using to detox for hundreds of years. Blending stories, science, DIY recipes, and tons of savoir faire, The French Beauty Solution is the last beauty regimen you'll ever need.

The Beauty Detox Solution

Stress and anxiety can wreak havoc on skin, resulting in acne, eczema, dry patches, rosacea, loss of elasticity, and premature aging. But before opting for Botox injections, laser treatments, and harsh chemical peels, try a healthier approach. Susan Ciminelli, skin-care expert to the stars and owner of the New York City day spa that bears her name, believes that the skin is a mirror of one's internal environment. The right lotions and creams are just one piece of the puzzle: What you put into your body, and, most important, the foods you eat play vital roles in your skin's health and appearance. The Ciminelli Solution approaches skin care from the inside out, combining recipes, exercise tips, and treatment suggestions in a seven-day program that brings the mind, body, and soul into balance, resulting in flawless skin. Susan's step-by-step, day-by-day cleansing program is designed to jump start a healthier way of living and eating, without deprivation. This isn't a strict, clinical regimen. Instead, Susan takes the spa approach, focusing on what you should give to your body, not what you think you should take away. Susan shows how eating certain foods gives skin renewed vitality, beauty, and longevity, and explains what to eat -- and what foods to avoid -- to achieve a healthy, glowing complexion. In addition to flavorful recipes for dishes such as Wild Salmon Burgers, Herb-Roasted Chicken, and her famous

Adzuki Bean Soup, Susan includes recipes for facial masks, scrubs, and peels using all-natural ingredients, like honey, pineapple, and olive oil. The Ciminelli Solution will improve your quality of life by detoxifying your system, increasing energy, and ultimately giving you a radiant, glowing complexion.

Radiant - Eat Your Way to Healthy Skin

A Healthy You

Breakouts. Dryness. Redness. Oiliness. If you're like most women, you've been on a never-ending quest for perfect skin—or even just good skin—since adolescence. It's a frustrating pursuit to say the least, filled with one disappointing (and expensive) miracle solution after another. Why is it so hard to get good skin? Adina Grigore, founder of the organic skincare line S.W. Basics, would argue that getting clear, calm, happy skin is about much more than products and peels. Or, rather, it's about much less. In *Skin Cleanse*, she guides readers through a holistic program designed to heal skin from the inside out. We tend to think of our skin as a separate entity from the rest of our bodies when in fact it is our largest organ. The state of our skin is a direct reflection of what our bodies look like on the inside. So Adina's program begins as any healthy regime should: with the basics for full-body health. That means eating plenty of fresh, whole foods; drinking more water; getting blood pumping and oxygen flowing to your cells through movement; and giving your skin a chance to repair and regenerate by resting. From there, readers are challenged to a skin cleanse that requires going product-free for twenty-four hours. Once detoxed, Adina then shows us how to overhaul our beauty routine, how to carefully add some products back in, and even how to make our own products at home, with advice and targeted solutions for specific skin conditions such as acne, dry skin, oily skin, and more. The secret to beautiful, stress-free skin is simple: it's an inside job.
