Dear Diary, Am I Really Thirteen?

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

“People always say I’m going to look back on these days and laugh — why put it off?” When Angela Nissel found herself struggling financially while in college, instead of sulking, she decided to entertain herself by creating an online journal that chronicled her day-to-day trials and tribulations. Written with humor and intelligence, her “Broke Diary” quickly found an audience as people wrote to Angela to empathize with, console, and laugh with her about her experiences and even share their own. The Broke Diaries is the first complete compilation of her experiences, written in a voice that is funny, unique, and dead-on. On buying ramen noodles: I am soooooo embarassed. I only have 33 cents. I (please don’t

laugh) put the money on the counter and quickly attempt to dash out with my Chicken Flavored Salt Noodles. The guy calls me back! I look up instinctively, I should have run . . . Why didn't I run????!! He tells me the noodles are 35 cents. I try to apologize sincerely. I thought the sign said 33 cents yesterday, so that's all I brought with me. Could he wait while I ran home and get the 2 cents? I show him my student I.D. to let him know I am not a thief. He shakes his head and motions either for me to get the hell out of his store and never come back again or get the money as do come back. I don't know. He said something like "Nyeh" and swiped his hand in my direction. I can't translate hand motions well. The noodles: tasty!!!

BreeAnna Barton was born right after WWII to loving parents and was the center of their world. Her life began as ordinary as the families of the hit TV shows during the 50's and 60's. By the time she was three years old however, a drastic change was beginning to take place in her secure little world. Bree wanted so much to be a normal, happy child and teenager but the word "normal" didn't seem to exist for her. Abused, time and again, both physically and mentally until she was eighteen years old, there seemed to be nothing but black clouds on her horizon. She rose each time with another ray of hope and strong determination, only to be beaten back down. Outsiders turn their heads as the brutality that takes place inside her home stays within those walls, never to be discussed or shared by anyone involved. The rainbow was gradually fading from the clear blue sky of her dreams. As Bree's story unfolds, you'll hold your breath as she rides along with the changing winds, wanting to encourage her as she fiercely attempts to fight back against her attackers. She is courageous, determined, and through it all, still has the capacity to love. But, just how long and to what extent can these traits carry her? How much pain and suffering will this diminutive child's body be able to endure? Tiny bits of happiness are dashed as she rounds each corner, her journey reaching it's final destination

Diary of a Real Payne Book 1: True Story

Caution: what you are about to read is real: names have been changed to protect the identities of the innocent and the demented. If you haven't yet started the college living experience, then this book is what you need. Unlike other college anecdotes you might have seen, this one doesn't give a deceiving, sunshine approach to collegiate living. It isn't trying to soothe or coddle you when the world seems harsh, but instead gives clear, cold hard truths about what can happen when students choose to leave the nest. So be warned: these are true stories of roommate experiences that people have lived to share. Some will make you want to laugh, weep, repent, disinfect, or heave. It'd be best to wait until mom and dad drive away before opening this book; that way you can't change your mind and run back home. No doubt about it, Dorothy said it all when she left Oz, "There's no place like home." This book contains insane tales of deficient hygiene, soiled environments, untreated psychosis, and sexual malfunctions. Be advised that you

True Tales of the South at War

A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they merrily scheme their way

through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father—metaphorically, that is. *How I Paid for College* is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.
