"Live Jesus in Our Hearts" is a prayer said daily by Lasallians all over the world. Our new high school religion curriculum reflects this prayer, and our mission--that every young person would invite Jesus' presence into their hearts. We sought to begin answering the needs of today's youth, in a generation where the spiritual and religious landscape has shifted dramatically. Revelation and the Old Testament is the first semester course in the new high school series Live Jesus in Our Hearts. Revelation and the Old Testament is an Old Testament overview (with a sneak peak of the New Testament) that includes all the required Framework content related to Revelation. Used with Jesus Christ and the New Testament, you can now teach an overview of the Bible in freshman year using a Framework approved curriculum! Plus, help students connect using: Short stories about young people that relate a teaching or belief to a young person's lived experience. Focus questions introduce each unit in the voice of a teen, guiding students in focusing on what they might learn; units end with an image of a real student and his or her reflections on the unit focus question, inviting the students to check their own understanding. A Unit Highlights section that uses graphic organizers to visually represent the key concepts from each chapter "Hmmm" questions at the end of each article that encourage students to think critically about Christian beliefs. Written on Our Hearts

Catholic Young People are often shockingly illiterate--"biblically speaking! It's not uncommon for high school and university-age Catholics to be unfamiliar with

reading the Bible, not knowing which books are in the Old Testament and which in the New, or how to look up character and verse. or what are the four Gospels. What must concern teachers, pastors and parents more than biblical illiteracy is the ignorance of biblical spirituality, but one can hardly experience biblical spirituality without reading the Bible! Since The Catholic Youth Bible was published in 2000, it has been the means for spreading an "ABC of biblical literacy": Access, Big picture, and Context. Access to the Bible comes with learning about the major types of books in the Bible, the names and general order of those books, and how to look up a passage by oneself. The Big Picture is the overall arc of the biblical story, salvation history. Context (social, religious, political, economic) is necessary to prevent falling victim to fundamentalist misinterpretations and misapplications. The new International edition of the CYB bring all these attractive features with commentary and sidebars that are more suitable than before for Canadian schools and homes, framing biblical issues in terms of contemporary and familiar social issues. Last but not least, the CYB is a joy to read!
