Spraypainting the cat? What was he thinking With four year college degrees under our belts and a dab of training in Child Psychology, my wife and I thought we were ready for anything when it came to this parenting gig. We had no idea we would be outnumbered and outgunned. From diet to riot, meds to charts, we've tried it all, to train up our ADHD kids in the way they should grow. From the Home School of Hard Knocks, our four ADD and ADHD kids have taught us more about coping and planning ahead than any four year college degree could have, especially when it comes to understanding what goes on in the mind of a five year old in a Buzz Lightyear costume flying on a treadmill. To Infinity, and Beyond. This is the chronicle of two adult ADD parents and their four ADD/ADHD kids living in a loving madhouse with four neurotic cats and a snow white bi-eyed monster dog that eats

trees. Inside you will find more laughs and maybe some help and advice for what to do with the ADD kids in your own home, from someone who's Been There, Done That.

Stories are basic to life. Everybody loves a good story. We have been reading, listening to, or watching stories all of our lives, so we intuitively know a lot about how they work. Yet, more and more, Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together. Indeed, God gave us the stories of the Bible to reveal great truth about Himself and about our lives, and He wants to draw us into the ongoing story of what He is doing in the world. By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively. The Daily Chronological Bible: NKJV Edition presents the Bible in a narrative approach, utilizing a brand new, fresh chronological reading plan. It presents Scripture in three easy-to-remember main acts and seventeen total scenes, providing an
