Thomas Hardy Remembered

Redrawing established boundaries between genres, Podnieks details how diaries inscribe the aesthetics of literary modernism. Drawing on feminist theory, literary history, biography, and anecdotes, she argues that the diary is an especially subversive genre for women writers."--BOOK JACKET.

Jacob's Room

An account of Woolf's life during the period in which *To the Lighthouse* and *The Waves* were written. "Her steel-trap mind and elegant prose make this a most valuable and pleasurable book" (Publishers Weekly). "Volume three is as witty and intelligent as its predecessors" (Atlantic Monthly). Edited by Anne Olivier Bell, assisted by Andrew McNeillie; Index.

The Voyage Out

The Years traces the history of the genteel Pargiter family from the 1880s to the "present day" of the mid-1930s. Spanning through fifty years, the novel focuses on the small private details of the characters' lives. Sections take place on a single day of its titular year, and each year is defined by a particular moment in the cycle of seasons.

The Years

Virginia Woolf's Modernist Path

Virginia Woolf

The Deep Old Desk

From the Diary of Virginia Woolf

Virginia Woolf: The Complete Collection

“Explores the history of Woolf's diaries, not only to reveal heretofore unremarked sources but also to trace her evolving sense of possibilities in diary-writing, possibilities which helped shape Woolf as a fiction writer. A must-read for devotees of Virginia Woolf.”—Panthea Reid, author of *Art and Affection: A Life of Virginia Woolf*“This revealing book gives us a diarist with greater literary range than Pepys and affords us a second pleasure: the infinitely varied voices of the diaries Virginia read. They fascinate us as they fascinate her: those writers who encouraged, warned, comforted, and trained a developing genius.”—Nancy Price, author of *Sleeping with the Enemy*“Lounsberry's deeply researched and gracefully written book shows not only Woolf's development into a great diarist but also her evolvment into the fiction and nonfiction writer revered today.”—Gay Talese, author of *A Writer's Life*Encompassing thirty-eight handwritten volumes, Virginia Woolf's diary is her lengthiest and longest-sustained work—and her last to reach the public. In the only full-length book to explore deeply this luminous and boundary-stretching masterpiece, Barbara Lounsberry traces Woolf's development as a writer through her first twelve diaries—a fascinating experimental stage, where the earliest hints of Woolf's pioneering modernist style can be seen. Starting with fourteen-year-old Woolf's first palm-sized leather diary, *Becoming Virginia Woolf* illuminates how her private and public writing was shaped by the diaries of other writers including Samuel Pepys, James Boswell, the French Goncourt brothers, Mary Coleridge, Ralph Waldo Emerson, and Woolf's “diary parents”—Sir Walter Scott and Fanny Burney. These key literary connections open a new and indispensable window onto the story of one of literature's most renowned modernists.

The Diary of Virginia Woolf: 1925-1930

As the streets that lead from the Strand to the Embankment are very narrow, it is better not to walk down them arm-in-arm. If you persist, lawyers' clerks will have to make flying leaps into the mud; young lady typists will have to fidget behind you. In the streets of London where beauty goes unregarded, eccentricity must pay the penalty, and it is better not to be very tall, to wear a long blue cloak, or to beat the air with your left hand. One afternoon in the beginning of October when the traffic was becoming brisk a tall man strode along the edge of the pavement with a lady on his arm. Angry glances struck upon their backs. The small, agitated figures—*for in comparison with this couple most people looked small*—decorated with fountain pens, and burdened with despatch-boxes, had appointments to keep, and drew a weekly salary, so that there was some reason for the unfriendly stare which was bestowed upon Mr. Ambrose's height and upon Mrs. Ambrose's cloak. But some enchantment had put both man and woman beyond the reach of malice and unpopularity. In his guess one might guess from the moving lips that it was thought; and in hers from the eyes fixed stonily straight in front of her at a level above the eyes of most that it was sorrow. It was only by scorning all she met that she kept herself from tears, and the friction of people brushing past her was evidently painful. After watching the traffic on the Embankment for a minute or two with a stoical gaze she twitched her husband's sleeve, and they crossed between the swift discharge of motor cars. When they were safe on the further side, she gently withdrew her arm from his, allowing her mouth at the same time to relax, to tremble; then tears rolled down, and leaning her elbows on the balustrade, she shielded her face from the curious. Mr. Ambrose attempted consolation; he patted her shoulder; but she showed no signs of admitting him, and feeling it awkward to stand beside a grief that was greater than his, he crossed his arms behind him, and took a turn along the pavement. The embankment juts out in angles here and there, like pulpits; instead of preachers, however, small boys occupy them, dangling string, dropping pebbles, or launching wads of paper for a cruise. With their sharp eye for eccentricity, they were inclined to think Mr. Ambrose awful; but the quickest witted cried "Bluebeard!" as he passed. In case they should proceed to tease his wife, Mr. Ambrose flourished his stick at them, upon which they decided that he was grotesque merely, and four instead of one cried "Bluebeard!" in chorus.

Virginia Woolf and London

A Companion to Virginia Woolf

The Diary of Virginia Woolf

2012 Reprint of 1953 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. An invaluable guide to the art and mind of Virginia Woolf, "A Writer's Diary" was collected by her husband from the personal record she kept over a period of twenty-seven years. Included are entries that refer to her own writing and those that are clearly writing exercises, accounts of people and scenes relevant to the raw material of her work, and finally, comments on books she was reading. The first entry is dated 1918 and the last, three weeks before her death in 1941. Between these points of time unfolds the private world - the anguish, the triumph, the creative vision - of one of the great writers of our century.

Diaries and Journals of Literary Women from Fanny Burney to Virginia Woolf

'A work of the highest imaginative genius, with powers of perception and description unexplained in our time' Isaiah Berlin. Virginia Woolf turned to her diary as to an intimate friend, to whom she could freely and spontaneously confide the thoughts and images uppermost in her mind. Whether describing public events or the joys and trials of domestic life, gossiping about her friends or wrestling with the difficulties of her art, gossiping about her friends or wrestling with the difficulties of her art, Virginia Woolf writes with unflinching grace, courage and honesty, and a lively wit which make her one of

the most moving and entertaining diarists of this, or any, century. 'The moment I begin to read that light, clear, elegant prose I am seduced. (Virginia Woolf's) nephew Quentin Bell claims that the 30 volumes of Woolf's diary are a masterpiece. Anne Olivier Bell has reduced them to a single volume. I think it is still a masterpiece. ' A S Byatt, EVENING STANDARD

Night and Day

Entries interrupted only by her periodic breakdowns record the daily events and activities, enthusiasms and disappointments, and writing tasks in Virginia Woolf's life and her responses to people, books, and her own work

Becoming Virginia Woolf

These twenty-five short essays demonstrate the beauty of style, the wit, and the sensibility for which Woolf is admired. "This book contains the same delicious things to read as always. Virginia Woolf was a great artist, one of the glories of our time, and she never published a line that was not worth reading" (Katherine Anne Porter). Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals. Her most famous works include the novels *Mrs Dalloway* (1925), *To the Lighthouse* (1927) and *Orlando* (1928), and the book-length essay *A Room of One's Own* (1929), with its famous dictum, "A woman must have money and a room of her own if she is to write fiction."

To the Lighthouse & The Waves

Entries interrupted only by her periodic breakdowns record the daily events and activities, enthusiasms and disappointments, and writing tasks in Virginia Woolf's life and her responses to people, books, and her own work

The Diary of Virginia Woolf: 1925-1930

Thomas Hardy Remembered assembles some 150 annotated interviews and recollections of Hardy, most of which are being reprinted for the first time. They range from close personal reflections by old friends such as Sir George Douglas, J.M. Barrie, and Edmund Gosse, to fleeting glimpses by strangers who saw Hardy at a London party or at his club. Martin Ray has selected items having the greatest literary or biographical significance, and annotated them with meticulous accuracy and a keen eye for the telling detail. As a result, the volume will be an invaluable resource to scholars who are interested not only in what concerned Hardy personally and professionally, but also in how he was perceived by others. Having these

items collected in one volume reveals Hardy's contemporaneous opinions about his own writings and also makes it possible to trace the marked recurrence, over time, of certain preoccupations: ancient families, Hardy's hostility to reviewers, architecture, Roman relics, Wessex folklore and dialect, animal welfare, Napoleon, and hangings. With regard to his literary career, a portrait emerges of Hardy as the scrupulous professional, properly aware of his commercial rights, while at the same time appearing, to some who met him, unconscious of his own genius.

Collected essays

'A rare and remarkable book.' Times Literary Supplement Gilles Deleuze (1925-1995) was Professor of Philosophy at the University of Paris VIII. He is a key figure in poststructuralism, and one of the most influential philosophers of the twentieth century. Félix Guattari (1930-1992) was a psychoanalyst at the la Borde Clinic, as well as being a major social theorist and radical activist. A Thousand Plateaus is part of Deleuze and Guattari's landmark philosophical project, Capitalism and Schizophrenia - a project that still sets the terms of contemporary philosophical debate. A Thousand Plateaus provides a compelling analysis of social phenomena and offers fresh alternatives for thinking about philosophy and culture. Its radical perspective provides a toolbox for 'nomadic thought' and has had a galvanizing influence on today's anti-capitalist movement. Translated by Brian Massumi>

Virginia Woolf, the War Without, the War Within

Virginia Woolf turned to her diary as to an intimate friend, to whom she could freely and spontaneously confide her thoughts on public events or the joys and trials of domestic life. Between 1st January 1915 and her death in 1941 she regularly recorded her thoughts with unflinching grace, courage, honesty and wit. The result is one of the greatest diaries in the English language.

Selected Diaries

En la novela carnavalesca Super extra grande el maestro cubano de la ciencia ficción YOSS, ganador del codiciado premio UPC de Ciencia Ficción en 2010, nos ofrece una ópera narrativa donde el humor adquiere proporciones intergalácticas. En un futuro lejano, los seres humanos convivirán con criaturas de inmensa variedad: amebas que cubren mundos enteros, hembras sensuales que se alimentan de sustancias procedentes de los sistemas reproductivos de los machos de su raza, reptiles parlantes y otras creaciones extraídas de los clásicos de la ficción ciencia cubana e internacional. Jan Amos Sangan Dongo, el protagonista de Super extra grande, es un veterinario especializado en el tratamiento de animales sobredimensionados en las partes más recónditas de la galaxia. En una tarea casi sobrehumana, Dongo tiene como desafío

penetrar las profundidades intestinales de una de estas bestias inmensas para proteger su humanidad y la nuestra. En esta cómica novela, YOSS une su extenso conocimiento de biología con su vasta curiosidad y su imaginación salvaje dándonos un ejemplo incomparable de la tradición paródica dentro de la CF cubana. Nacido en La Habana en 1988, el escritor José Miguel Sánchez Gómez adopta el nombre de pluma YOSS luego de ganar el prestigioso Premio David de Ciencia Ficción por su libro de cuentos Timshel. Se graduó con un título en Biología en 1991 y formó parte del curso inaugural sobre técnicas narrativas en el Centro de Jorge Cardoso Onelio de Formación Literaria en 1999. Yoss, que se destaca tanto por su estética de rockero como por su pasión por la ciencia y la mitología, es autor de obras de ficción realista así como de CF. Escribe novela, ensayo y crítica y es promotor de talleres literarios.

The Brothers Karamazov

To Virginia Woolf, London was a source of creative inspiration, a setting for many of her works, and a symbol of the culture in which she lived and wrote. In a 1928 diary entry, she observed, "London itself perpetually attracts, stimulates, gives me a play & a story & a poem, without any trouble, save that of moving my legs through the streets." The city fascinated Woolf, yet her relationship with it was problematic. In her attempts to resolve her developmental struggles as a woman write in a patriarchal society, Woolf shaped and reshaped the image and meaning of London. Using psychoanalytic, feminist, and social theories, Susan Squier explores the transformed meaning of the city in Woolf's essays, memoirs, and novels as it functions in the creation of a mature feminist vision. Squier shows that Woolf's earlier works depict London as a competitive patriarchal environment that excluded her, but her mature works portray the city as beginning to accept the force of female energy. Squier argues that this transformation was made possible by Woolf's creative ability to appropriate and revise the masculine literary and cultural forms of her society. The act of writing, or "scene making," allowed Woolf to break from her familial and cultural heritage and recreate London in her own literary voice and vision. Virginia Woolf and London is based on analyses of Woolf's memoirs, her little-known early and mature London essays, *Night and Day*, *Mrs. Dalloway*, *Flush*, and *The Years*. By focusing on Woolf's changing attitudes about the city, Squier is able to define Woolf's evolving belief that women could "reframe" the city-scape and use it to imagine and create a more egalitarian world. Squier's study offers significant new insights into the interplay between self and society as it shapes the work of a woman writer. Originally published in 1985. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

A Writer's Diary

From the Diary of Virginia Woolf

Extracts drawn by Virginia Woolf's husband from the personal record she kept over a period of twenty-seven years offer insight into the art and mind of the twentieth-century author.

Talland House

An insightful, witty look at Virginia Woolf through the lens of the extraordinary women closest to her. How did Adeline Virginia Stephen become the great writer Virginia Woolf? Acclaimed biographer Gillian Gill tells the stories of the women whose legacies—of strength, style, and creativity—shaped Woolf's path to the radical writing that inspires so many today. Gill casts back to Woolf's French-Anglo-Indian maternal great-grandmother Thérèse de L'Etang, an outsider to English culture whose beauty passed powerfully down the female line; and to Woolf's aunt Anne Thackeray Ritchie, who gave Woolf her first vision of a successful female writer. Yet it was the women in her own family circle who had the most complex and lasting effect on Woolf. Her mother, Julia, and sisters Stella, Laura, and Vanessa were all, like Woolf herself, but in markedly different ways, warped by the male-dominated household they lived in. Finally, Gill shifts the lens onto the famous Bloomsbury group. This, Gill convinces, is where Woolf called upon the legacy of the women who shaped her to transform a group of men--united in their love for one another and their disregard for women--into a society in which Woolf ultimately found her freedom and her voice.

The Diary of Virginia Woolf Volume One

A Passionate Apprentice comprises the first years of Virginia Woolf's Journal - from 1879 to 1909. Beginning in early January, when Woolf was almost fifteen, the pages open at a time when she was slowly recovering from a period of madness following her mother's death in May 1895. Between this January and the autumn of 1904, Woolf would suffer the deaths of her half-sister and of her father, and survive a summer of madness and suicidal depression. Behind the loss and confusion, however, and always near the surface of her writing is a constructive force at work - a powerful impulse towards health. It was an urge, through writing, to bring order and continuity out of chaos. Putting things into words and giving them deliberate expression had the effect of restoring reality to much that might otherwise have remained insubstantial. This early chronicle represents the beginning of the future Virginia Woolf's apprenticeship as a novelist. These pages show that rare instance when a writer of great importance leaves behind not only the actual documents of an apprenticeship, but also a biographical record of that momentous period as well. In Woolf's words, 'Here is a volume of fairly acute life (the first really lived year of my life).'

The Diary of Virginia Woolf

A revised and fully updated edition, featuring five new chapters reflecting recent scholarship on Woolf.

A Writer's Diary

The Diary of Virginia Woolf

In her third and final volume on Virginia Woolf's diaries, Barbara Lounsberry reveals new insights about the courageous last years of the modernist writer's life, from 1929 until Woolf's suicide in 1941. Woolf turned more to her diary--and to the diaries of others--for support in these years as she engaged in inner artistic wars, including the struggle with her most difficult work, *The Waves*, and as the threat of fascism in the world outside culminated in World War II. During this period, the war began to bleed into Woolf's diary entries. Woolf writes about Hitler, Mussolini, and Stalin; copies down the headlines of the day; and captures how war changed her daily life. Alongside Woolf's own entries, Lounsberry explores the diaries of 18 other writers as Woolf read them, including the diaries of Leo Tolstoy, Dorothy Wordsworth, Guy de Maupassant, Alice James, and André Gide. Lounsberry shows how reading diaries was both respite from Woolf's public writing and also an inspiration for it. Tellingly, shortly before her suicide Woolf had stopped reading them completely. The outer war and Woolf's inner life collide in this dramatic conclusion to the trilogy that resoundingly demonstrates why Virginia Woolf has been called "the Shakespeare of the diary." Lounsberry's masterful study is essential reading for a complete understanding of this extraordinary writer and thinker and the development of modernist literature.

A Moment's Liberty

A Companion to Virginia Woolf is a thorough examination of her life, work, and multiple contexts in 33 essays written by leading scholars in the field. Contains insightful and provocative new scholarship and sketches out new directions for future research Approaches Woolf's writing from a variety of perspectives and disciplines, including modernism, post-colonialism, queer theory, animal studies, digital humanities, and the law Explores the multiple trajectories Woolf's work travels around the world, from the Bloomsbury Group, and the Hogarth Press to India and Latin America Situates Woolf studies at the vanguard of contemporary literature scholarship and the new modernist studies

Virginia Woolf

This highly original book investigates the part played by their personal writings in the lives of eight literary women. Can private journals provide information about their authors' public works? Do diaries dramatise the development of an individual literary 'voice'? What was the special attraction of the diary form for women, and why has it been so undervalued? Drawing on current feminist critical approaches, Judy Simons explores these and other questions in a stimulating and wide-ranging study of women's diary writing, which revises our entire way of thinking about this traditionally neglected genre and its particular implications for the woman writer.

The Diary of Virginia Woolf

A Nonconformist Novel with No Central Character "Either we are men, or we are women. Either we are cold, or we are sentimental. Either we are young, or growing old. In any case life is but a procession of shadows, and God knows why it is that we embrace them so eagerly, and see them depart with such anguish, being shadows." - Virginia Woolf, *Jacob's Room*

Jacob's Room is not your typical Victorian English novel. The fact that there is no real protagonist stands out the most. Jacob is not actually a character, only a collection of memories, feelings and sensations. His life is like a room seen through the eyes of other people. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

Giving Voice to Virginia Woolf

"To the Lighthouse" - The Ramsey family arrives to their summer house in the Hebrides, on the Isle of Sky in Scotland. They plan to visit the island's lighthouse one day, but the weather doesn't allow them and that creates some tension between family members. As the Ramsays have been joined at the house by a number of friends and colleagues, the trip to the lighthouse doesn't happen. Passing of the time brings death and grief to the Ramsey family, but the tension is still there.

"The Waves" consists of soliloquies spoken by six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though we never hear him speak in his own voice. The soliloquies that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" speak Woolf explores concepts of individuality, self and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness.

The Cambridge Companion to Virginia Woolf

The Captain's Death Bed & Other Essays

Choice Outstanding Academic Title In this second volume of her acclaimed study of Virginia Woolf 's diaries, Barbara Lounsberry traces the English writer's life through the thirteen diaries she kept from 1918 to 1929--what is often considered Woolf's modernist "golden age." During these interwar years, Woolf penned many of her most famous works, including Mrs. Dalloway, To the Lighthouse, Orlando, and A Room of One's Own. Lounsberry shows how Woolf's writing at this time was influenced by other diarists--Anton Chekhov, Katherine Mansfield, Jonathan Swift, and Stendhal among them--and how she continued to use her diaries as a way to experiment with form and as a practice ground for her evolving modernist style. Through close readings of Woolf 's journaling style and an examination of the diaries she read, Lounsberry tracks Woolf 's development as a writer and unearths new connections between her professional writing, personal writing, and the diaries she was reading at the time. Virginia Woolf's Modernist Path offers a new approach to Woolf 's biography: her life as she marked it in her diary from ages 36 to 46.

Daily Modernism

Royal Academy, London 1919: Lily has put her student days in St. Ives, Cornwall, behind her—a time when her substitute mother, Mrs. Ramsay, seemingly disliked Lily's portrait of her and Louis Grier, her tutor, never seduced her as she hoped he would. In the years since, she's been a suffragette and a nurse in WWI, and now she's a successful artist with a painting displayed at the Royal Academy. Then Louis appears at the exhibition with the news that Mrs. Ramsay has died under suspicious circumstances. Talking to Louis, Lily realizes two things: 1) she must find out more about her beloved Mrs. Ramsay's death (and her sometimes-violent husband, Mr. Ramsay), and 2) She still loves Louis. Set between 1900 and 1919 in picturesque Cornwall and war-blasted London, Talland House takes Lily Briscoe from the pages of Virginia Woolf's To the Lighthouse and tells her story outside the confines of Woolf's novel—as a student in 1900, as a young woman becoming a professional artist, her loves and friendships, mourning her dead mother, and solving the mystery of her friend Mrs. Ramsay's sudden death. Talland House is both a story for our present time, exploring the tensions women experience between their public careers and private loves, and a story of a specific moment in our past—a time when women first began to be truly independent.

A Passionate Apprentice

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the

others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.
