Dark Side of the Moon

In the ethereal world of dreams, there are champions who fight to protect the dreamer and there are demons who prey on them. Arik is such a predator. Condemned by the gods to live eternity without emotions, Arik can only feel when he's in the dreams of others. For thousands of years, he's drifted through the human unconscious, searching for sensation. Now he's finally found a dreamer whose vivid mind can fill his emptiness. Dr. Megeara Kafieri watched her father ruin himself and his reputation as he searched to prove Atlantis was real. Her deathbed promise to him to salvage his reputation has now brought her to Greece where she intends to prove once and for all that the fabled island is right where her father said it was. But frustration and bad luck dog her every step. Especially the day they find a stranger floating in the sea. His is a face she's seen many times. In her dreams. What she doesn't know is that Arik holds more than the ancient secrets that can help her find the mythical isle of Atlantis. He has made a pact with the god Hades: In exchange for two weeks as a mortal man, he must return to Olympus with a human soul. Megeara's soul. With a secret society out to ruin her expedition, and mysterious accidents that keep threatening her life, Megeara refuses to quit. She knows she's getting closer to Atlantis and as she does, she stumbles onto the truth of what Arik really is. For Arik his quest is no longer simple. No human can know of a Dream-Hunter's existence. His dream of being mortal has quickly turned into his own nightmare and the only way to save himself will be to sacrifice the very thing he wanted to be human for. The only question is, will he?

The Guardian

Dream-Hunter Lydia has been charged with the most sacred and dangerous of missions: To descend into the Nether Realm and find the missing god of dreams before he betrays the secrets that could kill her and her kind. What she never expects is to be taken prisoner by the Realm's most vicious guardian. Seth's time is running out. If he can't hand over the entrance to Olympus, his own life and those of his people will be forfeit. No matter the torture, Seth hasn't been able to break the god in

his custody. Then there's the beautiful Dream-Hunter Lydia: She isn't just guarding the gates of Olympus—she's holding back one of the world's darkest powers. If she fails, an ancient curse will haunt the earth once more and no one will be safe. But evil is always seductive

Acheron

Handsome and sensual, surrounded by an aura of danger, mystery, and the forbidden, a lover steps from the shadows. But is he mortal? Four of romance's most popular authors have created this spellbinding collection of stories filled with dark passion and desire. Under the cover of darkness, their heroes inhabit worlds haunted by ageless hungers and deadly forces stronger than any seen by day and vanquished only by the power of love. Now travel into realms where dazzling wonders roam the night, where magic replaces reason, and where a kiss unleashes a raging fire in the blood. And here, if you dare, discover the seduction that begins at the bewitching hour when a man and woman partake in Midnight Pleasures.

Dance With the Devil

Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams

that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness-not so long as my enemy waits in the night to destroy us both. --Talon of the Morriganes

No Mercy

Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I

suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?
