A Lie for a Lie

Amalie Whitfield is the picture of a blushing bride during her wedding reception—but for all the wrong reasons. Instead of proclaiming his undying love, her husband can be heard, by Amalie and their guests, getting off with someone else. She has every reason to freak out, and in a moment of insanity, she throws herself at the first hot-blooded male she sees. But he's not interested in becoming her revenge screw. Mortified and desperate to escape the post-wedding drama, Amalie decides to go on her honeymoon alone, only to find the man who rejected her also

heading to the same tiny island for work. But this time he isn't holding back. She should know better than to sleep with someone she knows, but she can't seem to resist him. They might agree that what happens on the island should stay on the island, but neither one can deny that their attraction is more than just physical. Filled with hilariously scandalous situations and enough sexual chemistry to power an airplane from New York City to the South Pacific, *Hooking Up* is the next standalone, laugh-out-loud romantic comedy from Helena Hunting, the New York Times bestselling author of the *Pucked* series and *Shacking Up*.

Shacking Up

From #1 New York Times bestselling author Lauren Blakely comes a second chance romance that'll make your heart feel good! I have a big plan for my career and it most certainly doesn't involve my ex. AKA my first love. It definitely doesn't entail working with him every day on a brand-new project for my jewelry line. And it absolutely doesn't include falling for the man all over again. But the trouble is, he's kind, charming and so darn smart. Not to mention easy on the eyes. And thoughtful, too. Also, he wants to get to know me again. To take me out for coffee, to chat on the phone, to go to museums. It's a dizzying, delicious courtship, but I don't know if my heart can handle this from the man who broke it to pieces once upon a time... Or am I willing to risk everything for a second chance at first love? Author's Note: Note: in 2013, I wrote CAUGHT UP IN US, and though it's no longer available for sale, the characters of Kat and Bryan seemed to demand another chance in the spotlight. THE SECOND CHANCE PLAN is a reimagining of their second chance romance, with 70 percent brand-new material, vastly expanded characterizations, and his POV woven into the story, so you can come to know and love Kat and Bryan at their best, like I do. Enjoy!

Eye Candy

An emotional, angst-ridden story about two childhood friends who learned to rely on one another to cope with their anxiety, only when it got to be too much, their families tore them apart. Now as college students, they must navigate adulthood and try to avoid falling into old behaviors, only problem is they've fallen in love.

Something Reckless

Eclipses have long been seen as important celestial phenomena, whether as omens affecting the future of kingdoms, or as useful astronomical events to help in deriving essential parameters for theories of the motion of the moon and sun. This is the first book to collect together all presently known records of timed eclipse observations and predictions from antiquity to the time of the invention of the telescope. In addition to cataloguing and assessing the accuracy of the various records, which come from regions as diverse as Ancient Mesopotamia, China, and Europe, the sources in which they are found are described in detail. Related questions such as what type of clocks were used to time the observations, how the eclipse predictions were made, and how these prediction schemes were derived from the available observations are also considered. The results of this investigation have important consequences for how we understand the relationship between observation and theory in early science and the role of astronomy in early cultures, and will be of interest to historians

of science, astronomers, and ancient and medieval historians.

Pucks & Penalties

As an NHL player, relationships haven't been my thing. Shrouded in secrecy and speculation, they never last very long. But then that's what happens when you require an NDA before the first date. Until Charlene. She's like a firefly. She's elusive, and if you catch her she'll burn bright, but keeping her trapped dulls her fire and dims her beauty. I caught her. And as much as I might want to keep her, I'll never put the lid on her jar. Not at the risk of losing her. So I've let her set the rules in our relationship. But as long hidden secrets expose us both, I discover exactly how fragile Charlene is, and how much I need her. We're all broken. We're all messed up. Some more than others. Me more than most.

Clipped Wings

New York Times bestselling author of SHACKING UP and I FLIPPING LOVE YOU Helena Hunting mixes humor and heart in this scandal-filled romantic comedy. HE WANTS TO LOSE CONTROL. Between his parents' messed up marriage and his narcissistic younger brother, Lincoln Moorehead has spent the majority of his life avoiding his family. After the death of his father, Lincoln finds himself in the middle of the drama. To top it all off, he's been named CEO of Moorehead Media, much to his brother's chagrin. But Lincoln's bad attitude softens when he meets the no-

nonsense, gorgeous woman who has been given the task of transforming him from the gruff, wilderness guy to a suave businessman SHE'S TRYING TO HOLD IT TOGETHER. Wren Sterling has been working double time to keep the indiscretions at Moorehead Media at bay, so when she's presented with a new contract, with new responsibilities and additional incentives, she agrees. Working with the reclusive oldest son of a ridiculously entitled family is worth the hassle if it means she's that much closer to pursuing her own dreams. What Wren doesn't expect is to find herself attracted to him, or for it to be mutual. And she certainly doesn't expect to fall for Lincoln. But when a shocking new Moorehead scandal comes to light, she's forced to choose between her own family and the broody, cynical CEO.

Unbroken

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in

order to keep the woman who finally cracked his armor, and found her way into his heart.

Observations and Predictions of Eclipse Times by Early Astronomers

The 2nd standalone novel in The Pucked Series
Miller "Buck" Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister. Except, unlike team captain and all-around nice guy Alex Waters--who happens to date his stepsister, Miller's media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller learns--eventually--that if he wants to make Sunshine "Sunny" Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom.

Law of Evidence

Fractures in Ink

With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. So she isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant—and quirky—gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

The Shacking Up Series

From the New York Times bestselling author of *Pucked* and *A Lie for a Lie*, a new stand-alone romance about trading favors, battling wills, and winning love. When I joined Seattle's NHL expansion team, I thought it was the start of something great. But nothing ever goes the way you expect. Take my introduction to my new neighbor. She came rolling in on the hot mess express at midnight, making a racket while she tried to get into my team captain's apartment. Did I mention that he's married to a woman who definitely was not her? Imagine my surprise when I end up with an injury that has me out of the game for weeks, and she's the one to offer to help me. I should probably add that she's not the captain's mistress. She's his sexy, pastel-haired younger sister. So we come up with an arrangement: she rehabs me so that I can get back on the ice sooner, and she can add a professional athlete that isn't her brother to her client list. Seems simple enough. As long as I can keep my hands to myself and my hormones in check.

A Secret for a Secret

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World).

“Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father*

“Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow

“Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review

“Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here*

“One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place*

“*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and

his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Not the drama of working in a tattoo parlor, which seems to be around every corner. When things get him down, he smiles and cracks a joke. But he's not the kind of man you cross, or you'll find yourself at the wrong end of his fists. Annika Belousov takes everything seriously. Like her job as a reality television producer, given that she typically has something to prove. Or her love life, which is defined by a series of requirements -- affluent, ambitious, accomplished, to name a few. Definitely

her family, who worked their whole lives to afford her every opportunity, a sacrifice she doesn't take lightly. When she's tapped to produce a reality show at Joel's shop, she doesn't think twice, just goes in for the kill, as if there were any other way. The second Annika walks into Joel's shop, he makes it his mission to crack her open, but she's not having it. He's all wrong -- too crass, too hairy, too un-serious. But it doesn't take her long to find out there's more to him than smirks and tattoos. And what she finds could put her career and his heart on the line. Not that Joel cares. Because for the first time in a long time, he's found his tonic.

Felony Ever After

Handy-book of Literary Curiosities

From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter.
