A Different Blue

As Allison Monroe balances work, school and her elderly Gram, she has little time left for herself. Sure, she secretly dreams of a fairytale romance, but she is content living vicariously through her promiscuous, quirky best friend Izzy. However, Izzy has other plans. Intent on finding her friend a man, Izzy drags Ally to a local hockey game. Ally doesn't know anything about hockey, except for Izzy's hormone-fueled description of sweaty men in uniforms, but she tries to be a good

Online Library The Mane Squeeze Pride 4 Shelly Laurenston

sport anyway. To Ally's surprise, she enjoys the fast-paced game and is even more stunned when she collides into star player Benjamin Price, practically knocking him off his skates. Ben plays for the Red Valley Razors and has everything that Ally does not: an exciting career, a multi-million dollar home overlooking the city and, of course, a fast car. Ben opens up an exciting new world for Ally and easily sweeps her off her feet with his boyish good looks and athletic charm. When his contract with the Razors expires and he is offered the chance to play for the best team in the league, which just so happens to be 1300 miles away, Ally risks losing everything. Will they end up on thin ice when life threatens to tear them apart? With the support of her family and friends, Ally experiences life, love, letting go and discovers that the true meaning of home isn't necessarily an address.

In a Badger Way

There's nothing like a good-ol'-boy wolf. And ace security expert Ricky Lee Reed serves, protects and seduces with all the right moves Sure, Toni Jean-Louis Parker has to be the responsible oldest sister to a crazy-brilliant clan of jackal siblings. But now she's cutting loose for some hot, sweaty, no-commitments fun—and the sexy, slow-talking, swift-moving predator assigned to keep her family safe is just the right thing to shapeshift her love life into overdrive. Trouble is, he's starting to get all obsessive wolf on her every time he looks in her direction Getting serious about anyone isn't in Ricky Lee Reed's plans.

Hell, even now he doesn't really have a plan—outside of catching whoever is threatening this dangerously brilliant family. But the more he sees of Toni, the more he's howling for her. And whatever it takes to convince her that what they have is everything, well, this wily wolf is down for the sizzling chase

Beast Behaving Badly

Livy Kowalski has no time for idiots. When you shapeshift into a honey badger, getting through life's irritants is a finely honed skill. Until she gets stuck housing her nutso cousin and dealing with her dad's untimely and unexplained demise. That's where Vic Barinov comes in - or his house does. Vic can't step outside without coming back to find Livy devouring his honey stash and getting the TV remote sticky. It gets his animal instincts all riled up. But he'll have to woo her at high speed: all hell is breaking loose, and Livy is leading the charge.

Phantastes

“Hot and humorous.” —USAToday.com Petite, kind, brilliant, and young, Stevie is nothing like the usual women bodyguard Shen Li is interested in. Even more surprising, the youngest of the lethal, ball-busting, and beautiful MacKilligan sisters is terrified of bears. But she's not terrified of pandas. She loves pandas. Which means that whether Shen wants her to or not, she simply won't stop cuddling him. He isn't some stuffed Giant Panda, ya know! He is a Giant Panda shifter. He deserves respect and personal space.

Something that little hybrid is completely ignoring. But Stevie has a way of finding trouble. Like going undercover to take down a scientist experimenting on other shifters. For what, Shen doesn't want to know, but they'd better find out. And fast. Stevie might be the least violent of the honey badger sisters, but she's the most dangerous to Shen's peace of mind. Because she has absolutely no idea how much trouble they're in . . . or just how damn adorable she is.

Read Tessa Adams's posts on the Penguin Blog. A new erotic paranormal series, starring dragon shapeshifters, kicks off with a very sexy debut Prince Dylan MacLeod is one of the last pure-blood dragon shape-shifters-and ruler of a dying race, the Dragonstar clan. It falls to him to protect his people and their ancient magic. But he has one important duty: to provide an heir Like all dragons, Dylan, who has a dark, rampant sexual appetite, can only procreate with his destined mate-for whom he's searched for the last five hundred years. But his quest is delayed when a disease sweeps through the Dragonstars, and Dylan must venture to the human world to find a cure. He tracks down bio-chemist Phoebe Quillum, never imagining the beautiful scientist would be the mate he's been seeking. But even with the fate of the clan on their shoulders, Phoebe and Dylan are overcome by their sexual desire. Their passion turns to something truer, but when Phoebe is kidnapped by Dylan's oldest enemy, he must risk everything for his love and his clan

The Royal Book of Oz (1921) is the fifteenth in the series of Oz books, and the first, by Ruth Plumly Thompson, to be written after L. Frank Baum's death. Although Baum was credited as the author, it was written entirely by Thompson. Beginning in the 1980s, some editions have correctly credited Thompson, [1] although the cover of the 2001 edition by Dover Publications credits only Baum. The original introduction claimed that the book was based on notes by Baum, but this has been disproved. Baum's surviving notes, known as "An Oz Book" [2] are known from four typewritten pages found at his publisher's, but their authenticity as Baum's work has been disputed. Even if genuine, they bear no resemblance to Thompson's book

New York Times bestselling author Shelly Laurenston . . . LIKE A WOLF WITH A BONE Quiet little Darla Lewis doesn't know what to think when the most-feared member of the South's rowdiest wolf pack kidnaps her. Does he want to protect her or kill her? It could be either! Everyone knows about Egbert Ray Smith and how dangerous he is. Every pack avoids him, and the U.S. military uses him as their own killing machine. And Darla is just a nice girl who likes to bake and occasionally follow the Grateful Dead around. She doesn't have time for this sort of foolishness. And yet . . . there is something about Eggie Ray. He just doesn't seem as bad as everyone says. In fact, the more she gets to know him, the cuddlier he seems. Something her overprotective family is not going to be happy to hear . . . Howl for It

When the woman he loved but refused to make his bondmate is attacked and left for dead, powerful lupine shifter Jayce Kazan, regretting his decision, is determined to save the beautiful human seer and prove that he is the one she should be with--forever. Original.

The Pride Series

Out of Control chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be indistinguishable from living things.

Desire Untamed

They are called Feral Warriors—an elite band of immortals who can change shape at will. Sworn to rid the world of evil, consumed by sorcery and seduction, their wild natures are primed for release . . . Kara MacAllister's quiet small-town life is transformed forever the night a powerful stranger rips her from her home, claiming she is the chosen one—the key to his survival. Spiriting her away into the rain-soaked night, Lyon reveals a truth Kara can barely credit. She's immortal, and the only one who can save his race. And deep within her, he arouses a fierce, primal hunger beyond anything she's ever imagined. But only when their lives are threatened by an ancient evil will Kara and Lyon realize they have found a love they would risk their immortal souls to claim . . . and a powerful desire that could never, ever be tamed.

Hot and Badgered

Blue Echohawk doesn't know who she is. She doesn't know her real name or when she was born. Abandoned at two and raised by a drifter, she didn't attend school until she was ten years old. At nineteen, when most kids her age are attending college or moving on with life, she is just a senior in high school. With no mother, no father, no faith, and no future, Blue Echohawk is a difficult student, to say the least. Tough, hard and overtly sexy, she is the complete opposite of the young British teacher who decides he is up for the challenge, and takes the troublemaker under his wing. This is the story of a nobody who becomes somebody. It is the story of an unlikely friendship, where hope fosters healing and redemption becomes love. But falling in love can be hard when you don't know who you are. Falling in love with someone who knows exactly who they are and

exactly why they can't love you back might be impossible.

Wuthering Heights

A leader of an otherworldly clan whose sexual energy is a life force seeks to restore his dying world by choosing a mate, a quest during which he unexpectedly falls in love with a woman from an enemy Healer race who would unite their estranged people. "Hot and humorous." --USAToday.com It's not every day that a beautiful naked woman falls out of the sky and lands face-first on grizzly shifter Berg Dunn's hotel balcony. Definitely they don't usually hop up and demand his best gun. Berg gives the lady a grizzly-sized t-shirt and his cell phone, too, just on style points. And then she's gone, taking his XXXL heart with her. By the time he figures out she's a honey badger shifter, it's too late. Honey badgers are survivors. Brutal, vicious, ill-tempered survivors. Or maybe Charlie Taylor-MacKilligan is just pissed that her useless father is trying to get them all killed again, and won't even tell her how. Protecting her little sisters has always been her job, and she's not about to let some pesky giant grizzly protection specialist with a network of every shifter in Manhattan get in her way. Wait. The Unbearable Lightness of Being

Passion Untamed

This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

The Indian in the Cupboard

When He Was Bad

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the *New York Times Book Review*. It went on to win the *Los Angeles Times Book Prize for Fiction* and quickly became an international bestseller.

Online Library The Mane Squeeze Pride 4 Shelly Laurenston

Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of

one of the world's truly great writers.

Big Bad Beast

Following *Desire Untamed* and *Obsession Untamed*, *Passion Untamed* is the third book in Pamela Palmer's outstanding *Feral Warriors* series about an elite band of fierce and sexy shape-shifter warriors who are sworn to protect the world from evil. This paranormal romance features Paenther, a powerful and dangerous immortal who must trust a beautiful witch in order to survive.

Hotter After Midnight

Full of magic and appealing characters, this classic novel takes readers on a remarkable adventure. It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic Indian toy. Trying to hide his disappointment, Omri puts the Indian in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic Indian into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his precious Indian from him?

Le Morte D'Arthur

A feline shifter finds a man who makes her roar in a novel by the New York Times-bestselling author who has “a gift with words and humor” (USA Today). Growing up on the tough Philly streets, Gwen O'Neill knows how to fend for herself. But what is she supposed to do with a nice suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan "Lock" MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don't believe in forever. At nearly seven feet tall, Lock is used to people responding to him in two ways: screaming or running away. Gwen--half lioness, half tigress, all kick-ass--does neither. She's sexy beyond belief and smart as hell, but she's so busy protecting her family and friends that she's forgetting about her own safety. Lock probably shouldn't get involved, but he can't simply walk away. Not when Gwen means absolutely everything to him. “With a sharp eye for detail, Laurenston manages to combine Animal Planet and The Sopranos with bonus life-altering roller derby.
