The Origin

Widely acclaimed as one of the finest books ever written on race and class divisions in America, this powerful novel reflects the forces of poverty, injustice, and hopelessness that continue to shape our society. Copyright © Libri GmbH. All rights reserved.

Irving Stone's Jack London, His Life, Sailor on Horseback (a Biography), and Twenty-eight Selected Jack London Stories

A fictionalized narrative of the derided by determined efforts of German traveler-archaeologist, Henry Schliemann, and his second wife, Sophia Engastromenos, to excavate the sites of Homeric Troy and ancient Mycenae

This Is My America

"From 1501 to 1505, Leonardo da Vinci and Michelangelo Buonarroti both lived and

worked in Florence. Leonardo was a charming, handsome fifty year-old at the peak of his career. Michelangelo was a temperamental sculptor in his mid-twenties, desperate to make a name for himself. The two despise each other."--Front jacket flap.

Cutting for Stone

From his 1831 voyage aboard the H.M.S. Beagle to his death in 1882, Charles Darwin experiences grueling sea passages, conducts demanding scientific research, and encounters opposition to his theory of evolution

Irving Stone, Three Complete Novels

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

Stone has created a pageant of stories of the great westward drive.

Mr. Darwin's Shooter

"Incredible and searing." --Nic Stone, #1 New York Times bestselling author of Dear Martin The Hate U Give meets Just Mercy in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a "thug" on the run, accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason

El origen / The Origin

Depths of Glory

Van Gogh's brother Theo was his confidant and companion, and, in his letters to him, Van Gogh reveals himself as artist and man. Even more than if he had purposely intended to tell his life story, Van Gogh's letters lay bare his deepest feelings, as well as his everyday concerns and his views of the world of art.

Dear Theo

In this acclaimed biographical novel, Irving Stone brings to life the tender and poignant love story of Rachel and Andrew Jackson. "Beyond any doubt one of the great romances of all time." -- The Saturday Review of Literature

The Angler

Syms Covington, the main character of Mr. Darwin's Shooter, was Charles Darwin's

Download Ebook The Origin Irving Stone

manservant for seven years, beginning with the historic voyage of the Beagle. Their relationship was an odd one, but it furnished exactly what Darwin needed in order to complete his groundbreaking work. Covington shot and collected hundreds of specimens (leaving him nearly deaf) which became fodder for *The Origin of Species*. The book tells the story of how Covington came into Darwin's service — his upbringing in Bedford, England; his departure at thirteen for the sea, in the company of evangelical sailor John Phipps; his flowering into manhood and (distressing to Phipps) wholehearted enjoyment of the sensual pleasures available to young sailors. It tells of the unusual relationship between Covington and his distant master, and the rift between them when Covington was unceremoniously dismissed when Darwin had finished his research. The story is framed by the elder Covington, who has retired to Australia in poor health and in moral crisis over Darwin's forthcoming book — its blasphemous thesis and his part in providing the proof. The arc of *Mr. Darwin's Shooter* paints a poignant and unforgettable picture of one man forging, then struggling to maintain, his faith in an era when it is constantly under attack — from science, from the daily brutality of life during colonial expansion, and from one's own cold, inexorable logic.

THE AGONY AND THE ECSTASY

Lust For Life was born out of the obsession to taste happiness consistently, to deliver mountain moving words that will always push you towards happiness, and

to create energy inside of us that can never be destroyed so we can remain in a state of abundance

Lust for Life

Immortal Wife

Independent and tenacious journalist Vivian DeMarco is back in Walton, Georgia, for one reason--to do her job and get out. When her boss suddenly dies under suspicious circumstances, Vivian's only hope for finding the truth--and the next big story--is small-town law enforcement's lanky poster boy, Deputy Ryan Frost. But the deeper they dig, the more twisted the truth becomes, and Vivian finds herself fighting for not only answers but also her life. False leads, incriminating emails, and someone called The Watcher force Vivian to confront the secret of her past and decide: How much is she willing to risk for the sake of a headline? Author Natalie Walters welcomes you back to Walton, Georgia, where everyone knows your name--but no one knows your secret.

on "The Origin of Humans and Humanness." Scientists in the fields of anthropology, archaeology, biology and ecology were invited to discuss their research concerning the how's, where's and why's of the evolutionary history of humans. Using our knowledge of the behavior and reproduction of living primates, chapter 1 describes what made the earliest human-like animals of 4 million years ago different from their ape relatives. While showing how the science of paleontology works, the origin of our genus, Homo, is discussed in chapter 2. With emphasis on those humans who first made regular use of stone tools some 2 million years ago, chapter 3 interprets ancient human behavior and ecology from an archeological perspective. Tools from genetics, molecular biology, archaeology and paleontology are used to examine the origin of modern Homo sapiens in chapter 4. Chapter 5 looks at the artistry of Ice Age craftsmen. Finally, using computer methods, chapter 6 delves into the complex issue of how does human behavior change, and what is the relationship between biological and cultural evolution?

Two Faces of Love

Where does the notion of free will come from? How and when did it develop, and what did that development involve? In Michael Frede's radically new account of the history of this idea, the notion of a free will emerged from powerful assumptions about the relation between divine providence, correctness of individual choice, and self-enslavement due to incorrect choice. Anchoring his discussion in Stoicism, Frede begins with Aristotle--who, he argues, had no notion of a free will--and ends with Augustine. Frede shows that Augustine, far from originating the idea (as is often claimed), derived most of his thinking about it from the Stoicism developed by Epictetus.

The Origin and Evolution of Humans and Humanness

Since its original publication in 1949, Irving A. Leonard's pioneering *Books of the Brave* has endured as the classic account of the introduction of literary culture to Spain's New World. Leonard's study documents the works of fiction that accompanied and followed the conquistadores to the Americas and goes on to argue that popular texts influenced these men and shaped the way they thought and wrote about their New World experiences. For the first time in English, this edition combines Leonard's text with a selection of the documents that were his most valuable sources--nine lists of books destined for the Indies. Containing a wealth of information that is sure to spark future study, these lists provide the documentary evidence for what is perhaps Leonard's greatest contribution: his demonstration that royal and inquisitorial prohibitions failed to control the circulation of books and ideas in colonial Spanish America. Rolena Adorno's introduction signals the lasting value of *Books of the Brave* and brings the reader up to date on developments in cultural-historical studies that have shed light on the role of books in Spanish American colonial culture. Adorno situates Leonard's work at the threshold between older, triumphalist views of Spanish conquest history and more recent perspectives engendered by studies of native American peoples. With its rich descriptions of the book trade in both Spain and America,

Clarence Darrow for the Defense

Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. “He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces and teaches moral lessons.”—The New York Times The opening sentence of John Irving’s breakout novel *The World According to Garp* signals the start of sexual violence, which becomes increasingly political. “Garp’s mother, Jenny

Fields, was arrested in Boston in 1942 for wounding a man in a movie theater.” Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—“we are all terminal cases”—*The World According to Garp* maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of “lunacy and sorrow.” Winner of the National Book Award, *Garp* is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—*Garp* is the precursor of John Irving’s later protest novels.

A Prayer for Owen Meany

Immortal Wife

“I am doomed to remember a boy with a wrecked voice—not because of his voice, or because he was the smallest person I ever knew, or even because he was the instrument of my mother’s death, but because he was the reason I believe in God; I am a Christian because of Owen Meany.” In the summer of 1953, two eleven-year-old boys—best friends—are playing in a Little League baseball game in Gravesend, New Hampshire. One of the boys hits a foul ball that kills the other boy’s mother. The boy who hits the ball doesn’t believe in accidents; Owen Meany believes he is God’s instrument. What happens to Owen, after that 1953 foul ball, is extraordinary and terrifying.
