The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. Actively sought by fund-raising abbots, such patronage affected institutional Buddhism. After exploring the relation of Buddhism to Ming Neo-Confucianism, the growth of tourism to Buddhist sites, and the mechanisms and motives for charitable donations, Timothy Brook studies three widely separated and economically dissimilar counties. He draws on rich data in monastic gazetteers to examine the patterns and social consequences of patronage.
