Dreams

A dream is not just white noise or something that happens to you while you sleep. Dreams are the secret language of your unconscious. This book will teach you how to: Unlock the secrets of your personal dream language Explore and interpret the meaning of your dreams Harness the power of the brain to uncover a life of greater richness and meaning So often when we awake we find that our dreams have either evaporated like mist or seem to be just on the edge of our memory. Many people cannot recall their dreams at all. Cohen has developed a 7-step process to let you tap into the rich repository of your subconscious: Recall and record. Title your dream. Read or repeat aloud. Consider what is uppermost in your life right now. Describe your dream's objects and qualities as if you were talking to a Martian. Summarize the message from the unconscious. Consider the dream's guidance for waking life. Drawing on years of clinical experience and her familiarity with Freud, myth, and sacred writings, Cohen presents a program that results in a life of abundance, texture, and self-awareness.

geometric figures? Why are there fierce-looking beasts carved amidst all that beauty? Is there a deeper purpose behind the play of light and space in the nave? Why is there a pelican on the lectern and ornate foliage on the pillars? The largely illiterate medieval audience could read the symbols of churches and cathedrals and recognise the meanings and stories deliberately encoded into them. For worshippers these were places of religious education and an awe-inspiring feast that satisfied both the senses and the soul. Today, in an age less attuned to iconography, such places of worship are often seen merely as magnificent works of architecture. This book restores the lost spiritual meaning of these fine and fascinating buildings. The Secret Language of Churches & Cathedrals provides a three-part illustrated key by which modern visitors can understand the layout, fabric and decorative symbolism of Christian sacred structures - thereby bringing back to life their original atmosphere of awe and sanctity. Part One is an analysis of structural features, outside and in, from spires and domes to clerestories and brasses. Part Two is a theme-by-theme guide, which identifies significant figures, scenes, stories, animals, flowers, and the use of numbers, letters and patterns in paintings, carvings and sculpture. Part Three is a historical decoder, revealing the evolution of styles - from basilicas through Byzantine, Romanesque, Gothic and beyond. For all those who seek to know more about Christian art and architecture, this richly illustrated book will instruct and delight in equal measure.

First published twenty years ago, this revised edition of John Sanford's classic exploration of the psychological and spiritual significance of dreams draws on the work of C.G. Jung to show how dreams can help us find healing and wholeness and reconnect us to a living spiritual world. Featuring a new preface by the author and using case histories from his own experience as a counselor, *Dreams* traces the role of dreams in the Bible, analyzing their nature and examining how Christians, through fear and the constraints of dogma, have come to reject the visions through which God speaks to humanity, making dreams -- in Sanford's words -- "God's forgotten language."

The Secret Language of the Renaissance

Angels are God's messengers, but sometimes we have difficulty comprehending the messages they bring because we don't understand the languages they use to speak to us. We need a "Rosetta Stone" to decipher them, and Kathy Mursch provides us with just that in *The Secret Language of Angels*. In this book, she describes the five angel languages - feeling, seeing, hearing, knowing, and dreams and visions - and shows us specifically what to look for in the messages that are being delivered to us at all times. In addition to explaining each of the languages, Kathy provides brief anecdotes of how each has shown up in her personal communications with God. She also calls on Biblical evidence where certain figures were visited by angels "speaking" one of these five languages. The purpose of this

Fortune-Telling Book of Dreams

NEW YORK TIMES BESTSELLER * A renowned psychic medium teaches us how to recognize and interpret the life-changing messages from loved ones and spirit guides on the Other Side. "A collection of incredible stories . . . that speak to the universe's endless capacity for magical moments."--Goop Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding "the secret language of the universe" is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In *Signs*, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There's the lost child who appears to his mother as a deer that

approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson's own father's passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design. Praise for Signs "This stirring guide . . . asserts that anyone can learn to understand messages that are sent from the 'Other Side.' . . . For readers struggling with loss who believe it's possible to communicate with the deceased, this book will console and empower them to look beyond their suffering."--Publishers Weekly "This brilliant book by the renowned psychic medium Laura Lynne Jackson is a guidebook to and translator of the mysterious spiritual language of the universe. Through a series of touching personal stories, Signs teaches us how to discern and understand the myriad spiritual signs in our lives. Laura Lynne's beautiful and compassionate heart shines through every page. This book is both excellent and important, and I highly recommend it to all."--Brian L. coincidence, synchronicity, and those premonitions we've all experienced are never accidents but a kindly world's way of trying to nudge us in the right direction. Drawing on firsthand true stories and native wisdom from around the world, Linn helps us regain our innate capacity to listen to the universe, to use the signs that speak to us every day of our lives. Step by step, she shows us how to call for a sign, how to create the best conditions for receiving it, and how to interpret the signs we receive, with the most comprehensive dictionary of signs ever compiled. Designed to help you develop your own ability to interpret signs as they call to you, the dictionary entries give you a starting point for understanding what your signs are communicating. For instance . . . * An abyss might symbolize a chasm in your life. Is there something that seems impassable to you? * A storm can indicate internal conflict. It can also indicate that the air is clearing in regard to a situation in your life. * A crossroads signifies that a time of decision is ahead. Take time and tune in to your intuition before choosing your future path. * Smoke can be a warning of danger. Is there a situation in your life that's about to go up in flames? Smoke can also indicate a lack of clarity. With this powerful, easy-to-use guide, Denise Linn helps us to reconnect with the magic of our inner selves to make the right decisions and choices in our lives. From the Trade Paperback edition.

The Secret Language of Children

"The New Secret Language of Symbols" takes a fresh look at the subject, satisfying today's appetite for interpreting the layers of meaning that exist below the surface of many works of art or architecture. The introduction looks at the cultural and psychological explanations of symbols, including the Jungian idea of the collective

unconscious. The heart of the book is 'The World of Symbols', in which hundreds of symbols are presented and explained, theme by theme. We learn, for example, about the various forms of dragon in myth, the symbolism of sacred geometry, the attributes of different gods, angels and mythic heroes, and the array of meanings ascribed to human body parts. Collective subjects such as Fruits, Weapons and Insects are supplemented by mini-directory listings. The last major section, 'Symbols in Context', gives an overview of the most symbol-rich cultures, religions, esoteric groups or symbol systems, ranging from ancient Egypt and Hinduism to the Freemasons and the Tarot, with each topic structured around a multi-layered artefact or image that is analysed and decoded to highlight the important meanings embodied within it. David Fontana unpeels layers of profound historical and psychological significance, probes the ancient roots of a vast range of symbols, and in the process - like a gifted archaeologist who knows exactly where to look and how to interpret what he finds - he unearths boundless treasures.

The Secret Language of Signs

A moving and erudite memoir on the importance of language to who we are, and an ode to the language that has given the author a home in exile Elena Lappin's life could be described as "five languages in search of an author." She now lives in London, but she was born in Russia and has lived in Czechoslovakia, Germany, Israel, Canada and the United States. As a multiple émigré, her decision to write in English was the unexpected result of many wanderings, and this memoir tells the story of finding a voice in a language that is not one's own. Russian, Czech, German, Hebrew and finally English: How do they, and the family roots and cultures they represent, define who Lappin is, and how has adopting English allowed her to be a writer? The story of Lappin's identity is unexpectedly complicated by the discovery, in middle age, that her biological father was an American living in Russia. Their encounter introduces an element of mystery to the search for her roots, and a surprise: suddenly, English is more than the accidental

When Lucas and Niara first became friends when he was just a toddler, he could never have imagined the adventures they would go on, or the ways they would change each other's lives. Lucas is a typical ten year old boy, who for as long as he can remember, has had a pet elephant no one else can see. It isn't until the night before his first day of fourth grade he realizes how real she truly is, when he starts visiting her in Africa almost every night in his dreams. Struggling with being teased at school, his visits to Africa become a welcome escape, but as he spends more time there he finds out there are much bigger problems on the other side of the world. Tsavo Dreams is a story about how the unconditional friendship of two friends can overcome anything. That just because you're a kid, it doesn't mean you can't change the world around you and make it a better place.

New York Times bestselling adult author Luanne Rice makes her dazzling YA debut with this gorgeous, unputdownable story of love, hope, and redemption. When Ruth Ann (Roo) McCabe responds to a text message while she's driving, her life as she knows it ends. The car flips, and Roo winds up in a hospital bed, paralyzed. Silent. Everyone thinks she's in a coma, but Roo has locked-in syndrome -- she can see and hear and understand everything around her, but no one knows it. She's trapped inside her own body, screaming to be heard. Mathilda (Tilly) is Roo's sister and best friend. She was the one who texted Roo and inadvertently caused the accident. Now, Tilly must grapple with her overwhelming guilt and her growing feelings for Roo's boyfriend, Newton -- the only other person who seems to get what Tilly is going through. But Tilly might be the only person who can solve the mystery of her sister's condition -- who can see through Roo's silence to the truth underneath. Somehow, through medicine or miracles, will both sisters find a way to heal? she meets and falls in love with Giacomo. Through voyage and adventure, their love intensifies, but soon is severed by Lian's dutiful promise as the wife to another. Forbidden from pursuing her chosen profession as a healer, and despised because she does not have bound feet, she is forced to work in a cloisonné factory while her in-laws raise her daughter, Ya Chen. It is in Nushu, the women's secret writing, that she chronicles her life and her hopes for the future. Rebelling against the life forced upon her, she empowers herself to act out against the injustice and becomes the master of her own destiny. But her quest for freedom comes at a costly price: The life of someone close to her, lost in a raging typhoon, a grueling journey to the Yun-kang Caves, and a desperate search for beauty and love in the midst of brutality.
