Fatherless Fanny; or, The memoirs of a little mendicant, and her benefactors. By mrs. Edgeworth

Belgravia

From the nationally bestselling author of *The True Memoirs of Little K*, a deeply felt and historically detailed novel of family, loss, and love, told by an irrepressible young girl—the daughter of a two-bit gangster and a movie showgirl—growing up in golden-age Hollywood and Las Vegas in its early days. Esme Silver has always taken care of her charming ne'er-do-well father, Ike Silver, a small-time crook with dreams of making it big with Bugsy Siegel. Devoted to her daddy, Esme is often his "date" at the racetrack, where she amiably fetches the hot dogs while keeping an eye to the ground for any cast-off tickets that may be winners. In awe of her mother, Dina Wells, Esme is more than happy to be the foil who gets the beautiful Dina into meetings and screen tests with some of Hollywood's greats. When Ike gets an opportunity to move to Vegas—and, in what could at last be his big break, to help the man she knows as "Benny" open the Flamingo Hotel—life takes an unexpected turn for Esme. A stunner like her mother, the young girl catches the attention of Nate Stein, one of the Strip's most powerful men. Narrated by the twenty-year-old Esme, *The Magnificent Esme Wells* moves between pre-WWII Hollywood and postwar Las Vegas—a golden age when Jewish gangsters and movie moguls were often indistinguishable in looks and behavior. Esme's voice—sharp, observant, and with a quiet, mordant wit—chronicles the rise and fall and further fall of her complicated parents, as well as her own painful reckoning with love and life. A coming-of-age story with a tinge of noir, and a tale that illuminates the

promise and perils of the American dream and its dreamers, *The Magnificent Esme Wells* is immersive, moving, and compelling.

Destination Truth

There Was a Little Girl

During WWII, Lithuanian collaborator Silvestras Griekshell had been plucked from a Nazi death camp and sent on covert missions by his Allied handlers. Now during the Cold War, he'd been redeployed as Steve Griggs, a nondescript American husband and father of four serving stateside as a cook in the U.S. Army. Though still doing black-bag jobs on the side, this dangerous, volatile man was consumed by an insatiable appetite for sadistic violence and psychological torture. And now, his obsessions involved his own children. Our story begins just as Griggs and his lovely wife place Dianne and Steven in a secret multigenerational program for experimentation, study and training with psychedelic enhancement. With each episode the brave boy and his clever sister survive, we come to appreciate how they have managed to prevail, and like Hansel & Gretel, emerge from this matrix of horror, triumphant and transformed. SONDRALONDON has published confessions of serial killers and researched some of the most depraved criminal

minds of our time. After twenty-four years of studying the real-life monsters in cages where Murder Road comes to a dead end, Sondra declares that nothing in the true-crime genre compares to this vivid and intimate account of surviving mortal terror at the hands of the unindicted murderer SILVESTRAS.

Based on a True Story

Imagine an eighteen-year-old American girl who has never read a newspaper, watched television, or made a phone call. An eighteen-year-old-girl who has never danced—and this in the 1960s. It is in Cambridge, Massachusetts where Leonard Feeney, a controversial (soon to be excommunicated) Catholic priest, has founded a religious community called the Slaves of the Immaculate Heart of Mary. The Center's members—many of them educated at Harvard and Radcliffe—surrender all earthly possessions and aspects of their life, including their children, to him. Patricia Chadwick was one of those children, and Little Sister is her account of growing up in the Feeney sect. Separated from her parents and forbidden to speak to them, Patricia bristles against the community's draconian rules, yearning for another life. When, at seventeen, she is banished from the Center, her home, she faces the world alone, without skills, family, or money but empowered with faith and a fierce determination to succeed on her own, which she does, rising eventually to the upper echelons of the world of finance and investing. A tale of resilience and grace, Little Sister chronicles, in riveting prose, a surreal childhood

and does so without rancor or self-pity.

High School Memoirs: a Journey in Surrealism

Love dance? Go pro and make movement a way of life with this comprehensive guide that can help you land your dream job in the world of dance. From front-and-center careers like professional dancer and choreographer to the lesser-known professions of technical director and costume designer, *So, You Want to Be a Dancer?* reveals a vast expanse of dance-related job possibilities that are as exciting as they are rewarding. In addition to tips and interviews from many different dance industry professionals, *So, You Want to Be a Dancer?* includes inspiring stories from young people who are in the industry right now, as well as activities, a glossary, and resources to help you on your way to a successful career in dance.

Too Good to Be True

Actress and author of the New York Times bestseller *Down Came the Rain*, Brooke Shields, explores her relationship with her unforgettable mother, Teri, in her new memoir. Brooke Shields never had what anyone would consider an ordinary life. She was raised by her Newark-tough single mom, Teri, a woman who loved the world of show business and was often a media sensation all by herself. Brooke's iconic modeling career began by chance when she was only eleven months old, and Teri's skills as both Brooke's mother and manager were formidable. But in private she was troubled and drinking heavily. As Brooke became an adult the pair made choices and sacrifices that would affect their relationship forever. And when Brooke's own daughters were born she found that her experience as a mother was shaped in every way by the woman who raised her. But despite the many ups and downs, Brooke was by Teri's side when she died in 2012, a loving daughter until the end. Only Brooke knows the truth of the remarkable, difficult, complicated woman who was her mother. And now, in an honest, open memoir about her life growing up, Brooke will reveal stories and feelings that are relatable to anyone who has been a mother or daughter.

- GQ (UK) Little Failure is the all too true story of an immigrant family betting its future on America, as told by a lifelong misfit who finally finds a place for himself in the world through books and words. In 1979, a little boy dragging a ginormous fur hat and an overcoat made from the skin of some Soviet woodland creature steps off the plane at New York's JFK International Airport and into his new American life. His troubles are just beginning. For the former Igor Shteyngart, coming to the United States from the Soviet Union is like stumbling off a monochromatic cliff and landing in a pool of Technicolor. Careening between his Soviet home life and his American aspirations, he finds himself living in two contradictory worlds, wishing for a real home in one. He becomes so strange to his parents that his mother stops bickering with his father long enough to coin the phrase failurchka—"little failure"—which she applies to her once-promising son. With affection. Mostly. From the terrors of Hebrew School to a crash course in first love to a return visit to the homeland that is no longer home, Gary Shteyngart has crafted a ruthlessly brave and funny memoir of searching for every kind of love—family, romantic, and of the self. BONUS: This edition includes a reading group guide. Praise for Little Failure "Hilarious and moving . . . The army of readers who love Gary Shteyngart is about to get bigger."—The New York Times Book Review "A memoir for the ages . . . brilliant and unflinching."—Mary Karr "Dazzling . . . a rich, nuanced memoir . . . It's an immigrant story, a coming-of-age story, a becoming-a-writer story, and a becoming-a-mensch story, and in all these ways it is, unambivalently, a success."—Meg Wolitzer, NPR "Literary gold . . . [a] bruisingly funny

memoir.”—Vogue “A giant success.”—Entertainment Weekly

Taj Mahal, the True Story

Little Memoirs of the Nineteenth Century

Comedian and actress Arden Myrin delivers a hilarious and heartfelt memoir about navigating adulthood and her rise on the comedy scene despite an unconventional upbringing. Arden Myrin is the product of not one, but two hasty decisions. Her paternal grandparents ran off and got married twenty-four hours after they met. Arden's parents did one better -- they married on a dare. Growing up in Arden's family, her dad ate nothing but sheet cake, while her mom was busy teaching a Cub Scout troop how to put on a Broadway musical. Oh, and she grew up in a small farm town called Little Compton, Rhode Island. Human population: 3,518. Cow population: 278. General Store: One. Stop Lights: Zero. At nineteen, Arden packed her bags with stars in her eyes and landed at ImprovOlympic in Chicago, where for the first time in her life she felt like she finally made sense. After drinking in as much comedy experience (and Sea Breezes) as she could, Arden got her big break when she was cast on an NBC sitcom. She moved to Los Angeles, knowing no one, and quickly realized she had no clue how to be a fully-grown human adult on her

own. How do you date someone and not ruin it? How do you interact with people if you have a teeny bit of social anxiety? How do you stand up for yourself if you're a people pleaser? And most of all, how do you start to believe that you are enough? From small town Rhode Island to accidentally kicking Courteney Cox in the face on a soundstage in Hollywood, Arden's hilarious, inspiring, and honest story shows readers how one totally unconventional upbringing might be the very thing one needs to thrive, all while showing up as your most outrageous, authentic self. Shout out to Little Compton!! Woot Woot!!!

The True Memoirs of Little K

So, You Want to Be a Dancer?

Synopsis High School Memoirs: A Journey in Surrealism is a tear-jerking, hilarious ride for a less-than-ordinary High School student who battles bullies and librarians to become King of the Classroom. Set in a small Catholic High School on the north side of Chicago, author Sean Cusack takes us on a surrealistic journey through four fun-filled years of triumph and tragedy in this unique epic. The journey begins with Sean Cusack entering St. Bernadin High School in August of 1995 as a very young and innocent Freshman student. He focuses on several life changing experiences in

his infant days of High School that change him forever. Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration. As a Sophomore, The Ride most certainly takes us on a ride through fights, vandalism, and verbal debacles that continued to steer the vengeful ship that Sean Cusack had been building since a Freshman. He now had become the ships Captain as it set sail. The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire. Sean Cusacks roses bud Junior Year in Forever Remembered, when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics. Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal. Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School experience culminating into one person after years of battling the Defunct Administration. He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school. In the end, he loses friends, respect from teachers, but most of all, he loses faith in his cause, yet ends his High School experience with a fantastical and triumphant bow. Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography. High School Memoirs: A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest.

Little Sister

Authentic Memoirs of the Christian Church in China

Random Family meets Orange Is the New Black in A Little Piece of Light, a memoir of survival, redemption, hope, and sisterhood from a bold new voice on the front lines of the criminal justice reform movement. Like so many women before her and so many women yet to come, Donna Hylton's early life was a nightmare of abuse that left her feeling alone and convinced of her worthlessness. In 1986, she took part in a horrific act and was sentenced to 25 years to life for kidnapping and second-degree murder. It seemed that Donna had reached the end--at age 19, due to her own mistakes and bad choices, her life was over. A Little Piece of Light tells the heartfelt, often harrowing tale of Donna's journey back to life as she faced the truth about the crime that locked her away for 27 years and celebrated the family she found inside prison that ultimately saved her. Behind the bars of Bedford Hills Correctional Facility, alongside this generation's most infamous criminals, Donna learned to fight, then thrive. For the first time in her life, she realized she was not alone in the abuse and misogyny she experienced--and she was also not alone in fighting back. Since her release in 2012, Donna has emerged as a leading advocate for criminal justice reform and women's rights who speaks to politicians,

violent abusers, prison officials, victims, and students to tell her story. But it's not her story alone, she is quick to say. She also represents the stories of thousands of women who have been unable to speak for themselves, until now.

Authentic Memoirs Concerning the Portuguese Inquisition

The Magnificent Esme Wells

Little Failure

NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the actor, gambler, raconteur, and Saturday Night Live veteran. Don’t miss Norm’s new Netflix special, Hitler’s Dog, Gossip & Treachery! When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the

celebrity memoir, Norm replied, “Call it anything you damn like.” Praise for Based on a True Story “Dostoyevsky by way of 30 Rockefeller Center . . . the best new book I’ve read this year or last.”—The Wall Street Journal “This book is absurd fiction. . . . Scathing and funny.”—The New York Times “Hilarious and filled with turns of phrase and hidden beauty like only a collection of Norm Macdonald stories could be.”—Esquire “Raucous . . . a hilarious, innovative work.”—A.V. Club “Part personal history and part meta riff on celebrity memoirs, the book, it quickly becomes clear, is also just partly true (and all hilarious).”—Vulture “Very, very, very funny! Thanks, Norm, for letting me be part of this Booker Prize-for-literature-quality effort.”—David Letterman “Norm is brilliant and thoughtful and there is sensitivity and creative insight in his observations and stories. A lot of comics over the years have been compared to Mark Twain, but I think Norm is the only one who actually matches the guy in terms of his voice and ability. I seriously f**king love Norm Macdonald. Please buy his book. He probably needs the cash. He’s really bad with money.”—Louis C.K., from the foreword “Norm is one of my all-time favorites, and this book was such a great read I forgot how lonely I was for a while.”—Amy Schumer “I always thought Normie’s stand-up was the funniest thing there was. But this book gives it a run for its money.”—Adam Sandler “Norm is one of the greatest stand-up comics who’s ever worked—a totally original voice. His sense of the ridiculous and his use of juxtaposition in his writing make him a comic’s comic. We all love Norm.”—Roseanne Barr “Norm Macdonald makes me laugh my ass off. Who is funnier than Norm Macdonald? Nobody.”—Judd

Apatow “Norm Macdonald is more than a triple threat—he’s a septuple threat. He is smart, funny, wry, rakish, polite, rakish . . . no, wait. He is polite, insightful, and . . . aaaaah . . . warm. No. He’s exciting. Yeah. Exciting! You never know what he’ll do. Okay, then make that unpredictable. Add that up. He’s amazing.”—Alec Baldwin “Norm is a double threat. His material and timing are both top-notch, which is unheard of. He is one of my favorites, both on- and off-stage.”—Dave Attell “Letterman said it best: There is no one funnier than Norm Macdonald.”—Rob Schneider

The Genuine Memoirs of Joshua Crompton; Written by Himself in the Cells of Guildford, After His Unhappy Conviction for Forgery, on the Bank of England The Whole Authenticated by the Rev. Mr. Dyer

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—*O, The Oprah Magazine* When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let’s Pretend This Never Happened*, Lawson’s long-suffering

husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The Education of Little Tree

Little Girl Lost

The Gentleman's Magazine, and Historical Chronicle, for the Year

An orphan before age five, Germain spends two years living alone on the seashore in seventeenth century France. The fishermen call him "little prophet" since he can always foretell impending storms. One fateful day he strays into a castle of monks and is not allowed to leave. The monks educate him and he is proved to be an excellent student, but he suffers from their cold and unfeeling ways. As a young

man, Germain eventually takes his vows becoming a priest in the Catholic Church. He settles in a poor village with his faithful dog, Sultan, and it is here that he consoles the humble and oppressed--sometimes risking his life for their sake. As his reputation as a virtuous and holy man spreads, even royalty arrive for absolution of their crimes. Father Germain teaches love of the Creator and mankind with a belief that even the most hardened heart can be turned toward goodness. He exposes church hypocrisy and is persecuted by his superiors; yet he continues to teach according to his conscience. Memoirs of Father Germain is the touching, true account of this beloved priest's life relayed to the writer Amalia Domingo Soler of Spain. These stories of intrigue, adventure, human emotion, and morality will provide you with tremendous love, inspiration, and hope.

Memoirs of Napoleon Bonaparte

Presents experiences of the author and his crew, who investigate claims of paranormal phenomena in exotic locales throughout the world.

The Quarterly Review (London)

The child star of E.T. describes her own nightmarish descent into alcohol and drug addiction--habits that were encouraged by her unique lifestyle--and her decision to

enter therapy at age thirteen.

Genuine and Authentic Memoirs of a Well Known Woman of Intrigue

Let's Pretend This Never Happened

Exiled in Paris, tiny, one-hundred-year-old Mathilde Kschessinska sits down to write her memoirs before all that she believes to be true is forgotten. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Now, as she looks back on her tumultuous life, she can still recall every slight she ever suffered, every conquest she ever made. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Before the revolution, Kschessinska dominated that world as the greatest dancer of her age. At seventeen, her crisp, scything technique made her a star. So did her romance with the tsarevich Nicholas Romanov, soon to be Nicholas II. It was customary for grand dukes and sons of tsars to draw their mistresses from the ranks of the ballet, but it was not customary for them to fall in love. The affair could not endure: when Nicholas ascended to the throne as tsar, he was forced to give up his mistress, and

Kschessinska turned for consolation to his cousins, two grand dukes with whom she formed an infamous ménage à trois. But when Nicholas's marriage to Alexandra wavered after she produced girl after girl, he came once again to visit his Little K. As the tsar's empire—one that once made up a third of the world—began its fatal crumble, Kschessinska's devotion to the imperial family would be tested in ways she could never have foreseen. In Adrienne Sharp's magnificently imagined novel, the last days of the three-hundred-year-old Romanov empire are relived. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history: the seething beginnings of revolution, the blindness of the doomed court, the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, *The True Memoirs of Little K* is historical fiction as it's meant to be written: passionately eventful, crammed with authentic detail, and alive with emotions that resonate still.

Digital Talking Books Plus

The Children's hour

Recounts the author's efforts to rebuild in the face of a failing literary career and

his wife's abandonment for another man, describing how his love for his young son inspired the confrontation of his own painful childhood memories.

A Little Piece of Light

Notes and Queries

The Progress of Crime, Or, The Authentic Memoirs of Maria Manning

Good Little Soldiers

The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. "Little Tree" as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white

businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, *The Education of Little Tree* has now been redesigned for this twenty-fifth anniversary edition.
