Go Fast, Go Crazy

New York Times bestselling author Jefferson Bethke delivers a call to resist our cultural worship of connectivity and achievement before we lose the essentials that make us distinctly and deeply human. Our culture makes constant demands of us.

Do more. Accomplish more. Buy more. Post more. Tweet more. And in following those demands, we have indeed become more--more anxious, more tired, more hurt, more depressed, more frantic. What we are doing isn't working because, Jefferson Bethke argues, we have forgotten the fundamentals that make us human, the things that anchor our lives, providing us with roots and meaning. In this highly anticipated new book, Jefferson Bethke delivers a wake-up call to resist our culture and embrace the slowness of Jesus. To stop doing and start becoming by proactively setting up boundaries in our lives and cultivating disciplines within them. He shows his readers how to find landmarks, anchors, and rhythms that provide depth and meaning and that push back against the demands of contemporary life. And he reveals that what the world teaches us to avoid at all costs--things such as silence, obscurity, solitude, and vulnerability--are the very things that can give us the meaning, depth, order, and the richness we are truly looking for.

The epic story also told in the film FORD V. FERRARI: By the early 1960s, the Ford Motor Company, built to bring automobile transportation to the masses, was falling behind. Young Henry Ford II, who had taken the reins of his grandfather's company with little business experience to speak of, knew he had to do something to shake things up. Baby boomers were taking to the road in droves, looking for speed not safety, style not comfort. Meanwhile, Enzo Ferrari, whose cars epitomized style, lorded it over the European racing scene. He crafted beautiful sports cars, "science fiction on wheels," but was also called "the Assassin" because so many drivers perished while racing them. Go Like Hell tells the remarkable story of how Henry Ford II, with the help of a young visionary named Lee Iacocca and a former racing champion turned engineer, Carroll Shelby, concocted a scheme to reinvent the Ford company. They would enter the high-stakes world of European car racing, where an adventurous few threw safety and sanity to the wind. They would design, build, and race a car that could beat Ferrari at his own game at the most prestigious and brutal race in the world, something no American car had ever done. Go Like Hell transports readers to a risk-filled, glorious time in this brilliant portrait of a rivalry between two industrialists, the cars they built, and the "pilots" who would drive them to victory, or doom.

The Road to Hell

Originally published in 1926, this biography tells the rousing tale of Billy the Kid, once of the most well known outlaws in the Old West. The Saga of Billy the Kid focuses on a period of time where two dangerous gangs tore a bloody path across Lincoln, New Mexico. After being shot to death in 1881 by the intrepid Lincoln County sheriff Pat Garret, Billy the Kid became a romanticized symbol of the wildness that laced the American west. Interest in the outlaw's wild life grew after Burn's initial publication, setting Billy the Kid up as one of the finest examples of the loss of the Wild West. As the US grew more industrialized, the stories of saloons, train robberies, and lone cowboys became even more important, and still remain important today. In a rousing tale that is partly truth, partly fiction, read the story that started its own wild frontier in the most influential version out there.

The Prisoner of Hell Gate

FOUR DECADES AFTER TYPHOID MARY WENT TO HER GRAVE, FIVE CURIOUS GRADUATE STUDENTS STRUGGLE TO ESCAPE ALIVE FROM THE ABANDONED ISLAND THAT ONCE IMPRISONED HER. CONTAGION DOESN'T DIE. IT JUST WAITS. In the Hell Gate section of New York's East River lie the sad islands where, for centuries, people locked away what they most feared: the contagious, the disfigured, the addicted, the criminally insane. Here infection slowly consumed the stricken. Here a desperate ship captain ran his doomed steamship aground and watched flames devour 1,500 souls. Here George A. Soper imprisoned the infamous Typhoid Mary after she spread sickness and death in Manhattan's most privileged quarters. George's great-granddaughter, Karalee, and her fellow graduate students in public health know that story. But as they poke in and out of the macabre hospital rooms of abandoned North Brother Island—bantering, taking pictures, recalling history—they are missing something: Hidden evil watches over them—and plots against them. When death visits Hell Gate, it comes to stay. As darkness falls, the students find themselves marooned—their casual trespass having unleashed a chain of horrific events beyond anyone's imagination. Disease lurks among the eerie ruins where Typhoid Mary once lived and breathed. Ravenous flies swarm puddles of blood. Rot and decay cling to human skin. And spiteful ghosts haunt the living and undead. Soon five students of history will learn more than they ever wanted to know about New York's foul underbelly: the

meaning of spine-tingling cries down the corridor, of mysterious fires, of disfiguring murder, and of an avenging presence so sinister they'd rather risk their lives than face the terror of one more night.

My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it." view of the carnage these years would pile on. Over two decades he has been under fire, blown out of hotel beds, and taken hostage. He has watched Mubarak and Morsi in Egypt arrested and condemned, reported from Jerusalem, been through the Lebanese war, covered the shooting match in Iraq and the Libyan rebels who toppled Gaddafi, reported from Syria as Al-Qaeda stepped in, and was kidnapped in the Syrian cross currents of fighting. Engel takes the reader into Afghanistan with the Taliban and to Iraq with ISIS. In the page-turning *And Then All Hell Broke Loose*, he shares his “quick-paced thrilling adventure story” (Associated Press). Engel takes chances, though not reckless ones, keeps a level head and a sense of humor, as well as a grasp of history in the making. Reporting as NBC’s Chief-Foreign Correspondent, he reveals his unparalleled access to the major figures, the gritty soldiers, and the helpless victims in the Middle East during this watershed time. His vivid story is “a nerve-racking and informative portrait of a troubled region” (Kansas City Star) that shows the splintering of the nation states previously cobbled together by the victors of World War I. “Engel’s harrowing adventures make for gripping reading” (The New York Times) and his unforgettable view of the suffering and despair of the local populations offers a succinct and authoritative account of our ever-changing world.

In *Escape From Camp 14*, Blaine Harden unlocks the secrets of the world's most repressive totalitarian state through the story of Shin's shocking imprisonment and his astounding getaway. Shin knew nothing of civilized existence—he saw his mother as a competitor for food, guards raised him to be a snitch, and he witnessed the execution of his mother and brother. The late “Dear Leader” Kim Jong Il was recognized throughout the world, but his country remains sealed as his third son and chosen heir, Kim Jong Eun, consolidates power. Few foreigners are allowed in, and few North Koreans are able to leave. North Korea is hungry, bankrupt, and armed with nuclear weapons. It is also a human rights catastrophe. Between 150,000 and 200,000 people work as slaves in its political prison camps. These camps are clearly visible in satellite photographs, yet North Korea's government denies they exist. Harden's harrowing narrative exposes this hidden dystopia, focusing on an extraordinary young man who came of age inside the highest security prison in the highest security state. *Escape from Camp 14* offers an unequalled inside account of one of the world's darkest nations. It is a tale of endurance and courage, survival and hope.
