The Critical Review, Or, Annals Of Literature;

After the Spirit Comes is for the Christian who wants the fullest possible life in Christ. This book answers the question, "What can a person expect after the Holy Spirit has indwelt his life-not only after conversion, but after being filled with the Spirit?" Jack Taylor moves from the Spirit-filled life experience to give guidance in several areas. He stresses the basics of the Christian life--Bible reading and prayer, but goes into depth concerning the expectations of that life. After the Spirit Comes puts the Spirit-filled life in full Biblical focus. It guards the believer from becoming "at ease in Zion," and emphasizes living a balanced life for Christ. After the Spirit Comes is among Jack Taylor's favorite books. When asked why he replies, "I had more fun writing it than most. I hid myself in a lovely place by a rushing river and I seemed to be floating on a cloud during the duration of its writing. It contains some of my most joyous principles of life from the Word. This is a life-changing book for me, and I believe it will change your life as well! Oh yes, there is another reason. It contains the most popular sermon that I have preached: The Rod of God." Enjoy this message and a dozen other classics by Jack Taylor.

On 30 September 1938 Neville Chamberlain flew back to London from his meeting at Munich with the German Chancellor, Adolf Hitler. As he paused on the aircraft steps, he held aloft the piece of paper which bore both his and the Führer's signature, the promise that Britain and Germany would never go to war with one another again. He had returned bringing 'Peace with honour - Peace for our Time.'

Drawing on a wealth of original archival material, David Faber sheds new light on this extraordinary story, tracing the key incidents leading up to the meeting at Munich and its immediate aftermath: Lord Halifax's ill-fated visit to Hitler; Chamberlain's secret negotiations with Mussolini, and the Berlin scandal that rocked Hitler's régime. He takes us to Vienna, to the Sudetenland, and to Prague. In Berlin, we witness Hitler inexorably preparing for war; and in London, we watch helplessly as Chamberlain makes one supreme effort after another to appease Hitler.
