What happened to this one of the greatest hero is history?7) I think everyone heard of a story called "The Boy Who Cried Wolf". There was a shepherd boy who was fond of playing practical jokes, saying that wolves had attacked his sheep. Two times the inhabitants came rushing out in alarm- and then went back with the shepherd laughing at them. Eventually, some wolves really came. The shepherd boy cried out for help but no one believes in him. So he lost his sheep. The question is: "What can you learn from it?"

There are many different media descriptions of Fascism and Nazism in critiques of Joseph Goebbels and Adolf Hitler. But what did “Der Fuhrer” and his “Minister of Propaganda” actually say when they spoke publicly and authored written statements? To find out, come inside their mouths; see what they said. This book examines the actual words of the men who came close to destroying the world. These revelations are indisputably authentic, raw, and fascinating. They are an un-retouched look at the inner recesses of the minds behind the Nazi Party. This is a useful companion volume or study guide to Hitler's Mein Kampf, whereby what had been a vague plan suddenly was reality, almost to the disbelief of its author and his assistants. If we are to discover the minds of Hitler and Goebbels, we must penetrate behind the thick curtains of superficial evidence which distort them and the unreliable media middlemen who have altered their speeches and writings. Here is a startling expose' of the origins of their views on their enemies, their friends, and their goals. This book reveals those origins, including shocking practices they borrowed from the USA.

Was the book of Revelation penned by the crazy uncle in the family of Bible writers? You try to convince yourself that the apostle John is just another New Testament writer—kindly, gentle, loving. You know normal. But he's just so weird! Most of the time you have no idea what John is talking about in his revelation. When you must interact with his wild, otherworldly book, you escape as soon as you can to familiar, saner Bible texts. Like Matthew's Gospel or one of Paul's letters—after all, they straight-up tell you what Jesus did and what you should do! Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St. John wasn't so much a crazy guy as he was a visionary, inspirational, and worshipful guy! And you don't have to subscribe to any pre- or post-eschatology theory in order to learn all sorts of good stuff from the apostle. So while these 12 sessions—complete and ready-to-teach—won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos, they will, however, acquaint your youth group with the mysterious nature of Revelation, then demonstrate how these apocalyptic principles actually

Factfulness

The ideas in this book inspired the worst cases of terrorism in history. Turner Diaries expose a dogma that has been a "blueprint" for the world's most infamous killers and their dystopian fantasies. It has motivated murder and mayhem globally. The book warns us of how society might unravel if the police state policies being pursued in the past -- which are being pursued to an even greater extent today -- were allowed to continue. It is an appeal to ordinary people to take responsibility for what is happening to their country and to their world; it is an appeal for them to change course before its nightmare predictions come true. It is unfortunate that the course has not changed -- and so the message of Turner's Diaries are more important than ever. What began as a diary expanded into multiple diaries and then evolved into a chronicle of the author's shocking historical discoveries and his lived experience witnessing fake news and the suppression of the facts. Many of the new revelations in this book provide eye-popping comparisons to the late Andrew MacDonald's work. It is a useful study guide for MacDonald's earlier material. The revelations have been described as "Rules for Radicals." As an apocalyptic tale of genocide, this underground expose' chronicles a timeline wracked by government oppression and revolutionary violence. It provides a cautionary tale about tyrannical government hellbent on confiscating guns in order to disarm victims. This book is hated and feared by the gun-control crowd. Turner Diaries expose the type of book that defenders of the "statist quo" try desperately to ban from bookstores, so that ordinary readers won't be able to obtain it. Too many things predicted in the book have already come

true, and if too few people heed the warnings, then the rest of it also may come true. You'll have to read it for yourself to see who's correct. Turner Diaries provide a unique insight into the background of the Great Revolutions, which is uniquely valuable for many reasons. This was published so that everyone can better understand the cause of racism, extremism, and class warfare.

Agnotology is the study of ignorance. This expose' unleashes a new attack on traditional questions about "how we know" to ask: Why don't we know what we don't know?! Agnotology (formerly agnatology) shows that ignorance is often more than just a lack of knowledge; it can also be the deliberate manufactured outcome of political and cultural struggles. What keeps ignorance alive, or allows it to be

used as a political weapon of mass destruction? Ignorance has a history and a political geography, but there are also things people don't want you to know ("Ignorance is bliss" is a common cliché). This book treats examples from the realms of economic illiteracy, history, global climate change, militarism, environmental denialism, archaeology and anarchaeology, racial ignorance, and more. Those who do not study the past are condemned to repeat it. The goal of Agnotologists is to better understand how and why various forms of knowing do not come to be, or have disappeared, or have become invisible.

Alexandria Ocasio-Cortez (AOC) and Bernie Sanders (BS) self-identify the same way that Adolf Hitler self-identified: SOCIALIST. In voluminous speeches and writings Hitler glorified the identical word touted by AOC and BS as their political philosophy. Hitler's swastika was "S" letter shaped symbolism for his socialism. AOC and BS proudly classify themselves in the same fashion as Hitler and the world's other genocidal psychopaths. How did they both become socialists? AOC was heavily influenced by BS. The USA's two worst national socialists were both born and raised in New York City. AOC grew up during BS's years as a career politician. She learned a lot about socialism and wanted to get on the dole too. AOC has endorsed BS in the 2020 presidential election and actively campaigns for him. Why does AOC support such an old white male? She promotes him because

they share the same extremist dogma. BS is the oldest white male who is running for nomination. BS is so elderly that he could be AOC's grandfather (he is 48 years older than her). AOC was born a year after BS's infamous honeymoon (1988) in the USSR just as its socialism self-destructed. Sanders was born in 1941 shortly after Soviet socialism's partnership with German socialism. Soviet socialism (under Stalin) and German socialism (under Hitler) had joined to launch WWII, destroying Poland together, and going onward from there in a pact to enslave Europe. After German socialism was defeated, Soviet socialism continued (as Sanders grew up) to ruin millions of lives and increase its record-setting mass-murders. As a child, Sanders had learned about socialism from his parents and other relatives. They attended government schools (socialist schools) in the USA where students were forced to perform the Nazi salute and chant robotically to the flag each morning at the ring of a bell. The Pledge of Allegiance to the USA's Flag was the origin of the infamous stiff-armed salute (and other propagandistic behavior) that was borrowed decades later under German socialism and under other socialists worldwide. The pledge was written by an American socialist (Francis Bellamy) in order to spread socialism. Anyone who refused the ritual in the socialist schools was persecuted. At that time the socialist schools taught racism as official policy and imposed segregation by law. Sanders also learned socialism from government schools that he attended, and he chanted in unison each morning to the flag too (although the gesture had changed to hide socialism's putrid history). During Sanders' youth the socialist schools continued to teach racism as official policy and continued to

impose segregation by law. “America’s Nazi salute” was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government’s past. American youth groups (Scouting) adopted Bellamy's American Nazi salute (with Bellamy’s encouragement) AND saluted swastika badges (☐) worn by fellow scouts. Many Americans were accustomed to “Nazi salutes for swastikas” long before German socialism (and Hitler Youth) adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism. There are photos in this book! The military salute was the origin of Nazi salutes, via the USA's flag pledge in government schools. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and brainwashed chanting) in Germany, Italy, and other foreign countries.

INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates
“Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.”
—Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack

Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance Previously I armed myself with huge
