Flexible and goal-oriented, this text integrates instruction in reading, writing, and research with topical, interdisciplinary readings and concludes with a research handbook. Writing, Reading, and Research thoroughly covers analytical reading, paraphrasing, summarizing, and synthesizing--skills essential for developing a research paper. Each stage of the process is illustrated with examples of student and professional writing. Unlike comparable books, Writing, Reading, and Research leads off with two sample student papers in the early chapters, giving students a clear idea of the final goal as they progress through each step of the research and writing process.

All vital matters are up for ridicule in The Penguin Book of More Canadian Jokes, master gatherer John Robert Colombo's companion to the popular The Penguin Book of Canadian Jokes. In this second hilarious collection of jokes, riddles, puns, anecdotes, and lore, you'll find popular pokes at all things Canadian, including politics, multiculturalism, small-town life, sexual habits, our favourite national pastime -- weather watching -- and much more. This assortment is a rich, tickle-me addition to our national inventory of wit. The added kicker is the appendix of two dozen ripe classics: the jokes and anecdotes that -- though weathered -- have "laughed us" through the ages. Book jacket.
