### Vampire Hunter D Volume 28: the Tiger in Winter

D has crossed over the southern border, into the domain of the cruelest and most evil of the royalty, General Gaskell. All of this suggests that Gaskell — who was supposed to have been put to death under the light of the sun — is still very much alive. But why? \* Features twelve black-and-white line illustrations by Yoshitaka Amano.

#### Raven

Based on the character by Japanese author Hideyuki Kikuchi and visualized in the revered illustrations of Yoshitaka Amano, this original bust of Vampire Hunter D captures the beauty, grace, and cloaked mystery of the futuristic avenger. Possibly

immortal, his origin uncertain but twined between vampire and human, he protects his pale skin with flowing hair, cloak, and a distinctive wide-brimmed hat. In a move inspired by the manga genre, and as a special treat for art lovers and statue collectors, Dark Horse has commissioned a special rare variant companion piece to the Vampire Hunter D bust as sculpted by Tim Bruckner. This version highlights the nuance of the monochromatic art style of Amano, as recreated by master prototype painter Kat Sapene.
