### **Vampire Knight: Memories, Vol. 4**

I first read Mikhail Bulgakov's *The Master and Margarita* on a balcony of the Hotel Metropole in Saigon on three summer evenings in 1971. The tropical air was heavy and full of the smells of cordite and motorcycle exhaust and rotting fish and wood-fire stoves, and the horizon flared ambiguously, perhaps from heat lightning, perhaps from bombs. Later each night, as was my custom, I would wander out into the steamy back alleys of the city, where no one ever seemed to sleep, and crouch in doorways with the people and listen to the stories of their culture and their ancestors and their ongoing lives. Bulgakov taught me to hear something in those

stories that I had not yet clearly heard. One could call it, in terms that would soon thereafter gain wide currency, "magical realism". The deadpan mix of the fantastic and the realistic was at the heart of the Vietnamese mythos. It is at the heart of the present zeitgeist. And it was not invented by Gabriel Garcia Marquez, as wonderful as his *One Hundred Years of Solitude* is. Garcia Marquez's landmark work of magical realism was predated by nearly three decades by Bulgakov's brilliant masterpiece of a novel. That summer in Saigon a vodka-swilling, talking black cat, a coven of beautiful naked witches, Pontius Pilate, and a whole cast of benighted writers of Stalinist Moscow and Satan himself all took up permanent residence in my creative unconscious. Their presence, perhaps more than anything else from the realm of literature, has helped shape the work I am most proud of. I'm often asked for a list of favorite authors. Here is my advice. Read Bulgakov. Look around you at the new century. He will show you things you need to see.

From New York Times bestselling author, David Morrell, comes a classic thriller that introduced the character of Rambo, one of the most iconic action heroes of the twentieth century. Called “the father of the modern action novel,” FIRST BLOOD changed the genre. Although the book and the film adaptation have similarities, they are very different, especially its unexpected ending and its greater intensity.

If you've only experienced the film, you're in for a surprise. Once they were soldiers. Rambo, the ragged kid whose presence in town is considered a threat. And Teasle, the Chief of Police of Madison, Kentucky. Both have been trained to kill: Rambo in Vietnam, Teasle in Korea. They learned different military tactics, different ways of death and survival in two different wars. Now, without warning, they are enemies in a civilian combat that becomes a chase through the woods and mountains and caves above the town. As we follow them, we understand that once a man has been trained as a killer, perhaps he is changed forever. Award-winning *FIRST BLOOD* was published in 1972, was translated into 26 languages, and has never been out of print. It was one of the first novels to deal with post-traumatic stress disorder. David's novelizations for *RAMBO (FIRST BLOOD PART II)* and *RAMBO III* are available as e-books. They're quite different from the films and include revealing introductions. See also David's *RAMBO AND ME: THE STORY BEHIND THE STORY*. Critical reactions: "A fine novel. . . . When Johnny comes marching home this time, watch out." —The New York Times Sunday Book Review "A first-rate thriller." —Newsweek "One of the finest chase novels you will ever read." —Minneapolis Tribune "A terrific thriller." —Saturday Review "One hell of a hard, fast novel." —John D. MacDonald
