Handbook of Commercial Catalysts

Despite the advances in understanding the phenomena that occur on a catalyst surface, much of the successful catalyst development and use continues to be half science and half art. The art resides in the practical knowledge of experts in the development and use of commercial catalysts-it comes with experience. Now the background needed to nurture t

Understanding Oil Prices

The technological revolution of the last ten years has radically changed document designers' materials, processes, and tools of the trade. In short, choices about everything from typography and color to planning and production have changed -- even multiplied. The first new text for the college market in ten years, Kimball and Hawkins' Document Design assumes from the start that students are working online to produce a fuller range of print and online documents, designed and delivered differently in a digital world. Through practical, accessible advice and examples, Kimball and Hawkins lay out the array of elements and choices that document designers need to consider, all in the context of a rhetorical framework that allows students to see the effects of those choices. The only text to integrate a range of theoretical perspectives, visual perception, visual culture, and visual rhetoric, Document Design teaches students to think more critically about their own design decisions and to keep usability in mind every step of the way. True to its message, this artfully designed text practices the principles it teaches and is sure to become a reference that students will keep.

Never Say Spy

When RCMP officer John Kane shoots the man who tried to carjack her, Aydan Kelly thinks her safe life has been restored, but her problems are only beginning. As Kane's investigation progresses, Aydan is horrified to discover her would-be abductor was part of an international ring of spies, and Kane has found evidence that makes Aydan look like a collaborator.

From award-winning author Kim Richardson comes this first installment of a non-stop thrill-ride and gripping new fantasy series. Perfect for fans of Percy Jackson and the Olympians and Harry Potter. Grab it for FREE now! Fourteen-year-old Zoey is a street-savvy orphan, careful to live life under the radar, because of a powerful secret. But her life changes forever when she's recruited by a mysterious society called The Agency, a group of people that control the balance between monsters and humans. As Zoey begins her training at the academy, she makes two new friends—hilarious and clever Simon, and handsome, mysterious Tristan. Along the way, she discovers a treacherous plan that points to a demon invasion, and possibly the end of the world. Zoey is determined to uncover the truth—but the closer she gets, the more she risks her life. The first book in this enthralling new series by award-winning author Kim Richardson leads readers on a fantastic journey filled with danger and action, lies and deadly truths that will have readers clinging to the edge of their seats.

A Shamus Award Finalist and Named Best Mystery in the 2015 Next Generation Book Awards A body in a rundown Opera House. A missing manuscript A dark family secret. Still suffering nightmares from a case that ended tragically, brilliant freelance crime consultant Scott Drayco considers retiring from crime solving altogether. When a former client bequeaths Drayco a rundown Opera House in a Virginia seaside town, he figures he'll arrange for a quick sale of the place while nursing his battered soul in a peaceful setting near the shore. What he doesn't count on is finding a dead body on the Opera House stage with a mysterious "G" carved into the man's chest. With hopes for a quick sale dashed and himself a suspect in the murder, Drayco digs into very old and very dangerous secrets to solve the crime and clear his name. Along the way, Drayco must dodge a wary sheriff, hostility over coastal development, and the seductive wife of a town councilman - before the tensions explode into more violence and he becomes the next victim. EDITORIAL REVIEWS: "Lawson uses the gothic features of the abandoned Opera House to great effect, creating an atmospheric background for the crimes and the solving

of them, all of it accompanied with music that's almost like another character. The pace never sagged and it kept me enthralled." - Long and Short Reviews "Lawson's book was so good, I read it twice from beginning to end The citizens of Cape Unity are as diverse and multi-layered as any person living in the large cities, and Lawson portrayed them splendidly." - Reader's Favorite Reviews "The storyline here is nicely structured, and creatively ties together two murder mysteries, which occurred decades apart. The small town setting is ideal, the lead character engaging, and the supporting cast interesting and diverse. Overall, a solid start to this series." - Omnimystery News "A nice tight mystery in a realistic setting. Totally enjoyable." - Terrie Farley Moran, national bestselling author of the Read 'Em and Eat Mystery Series Category

Notebook

Meet Detective Sergeant Alicia Friend. She's nice. Too nice to be a police officer, if she's honest. Now assigned to DI Donald Murphy's team, the annoyingly-perky detective finds herself in the grip of a northern British winter, investigating the kidnap-murders of two young women - both strikingly similar in appearance. When a third is taken, they have less than a week to chip away the secrets of a high-society family, and uncover the killer's objective. But Richard - the father of the latest victim - believes the police are not moving quickly enough, so launches a parallel investigation, utilising skills honed in a dark past that is about to catch up with him. As Richard's secret actions hinder the police, Alicia remains in contact with him, and even starts to fall for his charms, forcing her into choices that will impact the rest of her life. For a chilling serial killer thriller with a quirky main character, pick up *His First His Second* today! >>> Reviews CrimeFictionLover.com "An intriguing mix of police procedural and serial killer thriller, that will tease, involve and unnerve you. An entertaining and intriguing debut." Undercover Book Reviews: "Want a book with twists and turns? This is the one. It will not disappoint." AUTHOR Q&A Q: Alicia Friend is kind of an oddball, isn't she? A: I'd say she's unique. She knows who she wants to be and she doesn't compromise, but most police officers she meets are dour and grumpy, and she sees how that impacts their personal lives. She doesn't want to be as hard-nosed as many women sleuths in fiction, so radiates the sort of perkiness that sometimes grates on her fellow officers. But it's who she is. Q: Despite having a quirky woman sleuth as main character, the novel goes to some dark places. A: Yes. I found that at one point I was trying to include ALL my research, and I'm really aiming for a thrill ride as much a straight police procedural. I originally included the sort of forensic details you get with Patricia Cornwell or Kathy Reichs, but it wasn't right for this book. I keep it as accurate as possible, but it's about the characters and how they uncover secrets, both externally and within the police. Q: So who is your ideal reader? A: Fans of serial killer books in general. If you like James Patterson, PJ Tracy or Steven James, Mark Billingham or Ian Rankin, Alicia Friend's series could be

worth checking out. Q: What levels of violence and bad language are there? A: Some of the violence is graphic, but the language that goes as strong as references to one's posterior and some faecal synonyms, if you get my meaning. No "F" or "C" words, as I don't think Alicia's audience appreciates that. Q: And how, exactly, do you come up with a character like Alicia? A: She is based on a real person. But very loosely. The essence is there, although I had to invent certain aspects for dramatic effect. The parts from real life are: a ditzy, perky outer shell, yet possesses a fierce intelligence, true dedication, and being brilliant at her job. Q: So the real Alicia Friend isn't a serving police officer? A: No, she isn't. And if she was, I certainly wouldn't say so here. Alicia Friend Books In Order: His First His Second In Black In White With Courage With Fear A Friend in Spirit To Hide To Seek A Flood of Bones

Legion

Two women have gone missing in two weeks: the first, found dead, was slashed and dumped in a back alley in Boston. The second was discovered by a child in a Swan Boat Ride. As fear intensifies, Hunter, the head of the FBI Behavioral Unit, calls his star criminal profiler, Tracy Wrenn, to help on the case. Even though she had plans to become engaged that evening, Tracy quickly cancels her plans and rushes to Boston to help. A beautiful, young professor of criminal psychology, Tracy has become renowned for her success at cracking cases no one else can. With her unusual insights and unique point of view, she is relentless at probing the inner minds of murderers. When a third woman goes missing, and when Tracy finds herself in danger, everything intensifies. In a shocking turn of events, Tracy finds out more not only about the killer, but about herself--and learns that nothing is what it seems. Book #2 in The Killing Game will be released soon.

Compass Study Guide

A pregnancy pact between three teenaged girls puts their mothers' love to the ultimate test in this explosive new novel from Barbara Delinsky, "a first-rate storyteller who creates characters as familiar as your neighbors." (Boston Globe) When Susan Tate's seventeen-year-old daughter, Lily, announces she is pregnant, Susan is stunned. A single mother, she has struggled to do everything right. She sees the pregnancy as an unimaginable tragedy for both Lily and herself. Then comes word of two more pregnancies among high school juniors who happen to be Lily's best friends--and the town turns to talk of a pact. As fingers start pointing, the most ardent criticism is directed at Susan. As principal of the high school, she has always been held up as a role model of hard work and core values. Now her detractors accuse her of being a lax mother, perhaps not worthy of the job of shepherding impressionable students. As Susan struggles with the implications of her daughter's pregnancy, her job, financial independence, and long-fought-for dreams are all at risk. The emotional ties between mothers and daughters are stretched to breaking in this emotionally wrenching story of love and forgiveness. Once again, Barbara Delinsky has given us a powerful novel, one that asks a central question: What does it take to be a

good mother? From the Hardcover edition.

Invitation to Die (The Killing Game--Book 1)

A 100-page, perfect-bound notebook, with neatly-lined interior pages. This is just one of many personalised notebooks from Silly Notebooks. If you want a notebook with a different name or animal on it, or if you have a photo you would like on the cover, or any other design for that matter, then please contact the team at Silly Notebooks. Unfortunately, I cannot place links on here to the Silly Notebooks website, where you can also have a look at some of the other notebooks available on Amazon, so you will need to do an Internet search for Silly Notebooks. Once you have found the site (which comes top on most popular search engines), please feel free to contact us with whatever ideas you have for your own personalised notebook and we will try to help. We do not charge for design and publishing, you only pay the price of the notebook on Amazon. We look forward to hearing from you.

His First His Second

When a top-secret weapon goes missing on Colonel Maggie Black's watch, her honor and her career are on the line. There were airmen who said the Air Force's best female combat pilot would never be the same after losing her arm in Iraq, but state-of-the-art prosthetics have made Maggie better than new, and she's not about to lose what she battled so hard to regain. But finding her experimental missile won't be easy—thanks to the revenge-fueled ambitions of Asdrubal Torres, whose hallucinatory encounter with the Great Spirit challenges him to refill Lake Cahuilla, the ancient inland sea that once covered much of Southern California. To fulfill his blessed mission, Torres needs wizardry and weaponry, and the Great Spirit provides both: Magic, in the form of a celebrated shaman's basket returned to the tribal museum by San Diego reporter Jordan Scott; Might, in the form of Maggie Black's top-secret weapon that falls from the sky. From that moment, it's a race against time for Maggie and Jordan, who together must stop Torres from destroying Hoover Dam—and turning the Colorado River into a tsunami that would kill hundreds of thousands and wipe out the Southwest's water supply. In the final showdown, it's Maggie who must disarm the stolen missile's trigger—one-handed or not—and save the day.

Not My Daughter

When the seventeen-year-old star of the high school softball team vanishes from a small town, the victim's estranged older sister, Bridget Dubois, returns home in order to find her. The only problem is that Bridget has a reputation, and the locals aren't pleased by her reappearance. Without anyone to help her, Bridget must find a way to reconnect with her younger sister before time runs out.

Friends Like These

So much writing about architecture tends to evaluate it on the basis of its intentions: how closely it corresponds to the artistic will of the designer, the technical skills of the builder, or whether it reflects the spirit of the place and time in which it was built, making it not much more than the willful (or even subconscious) assemblage of objects that result from design and construction techniques. Renowned writer and thinker David Leatherbarrow, in this groundbreaking new book, argues for a richer and more profound, but also simpler, way of thinking about architecture, namely on the basis of how it performs. Not simply how it functions, but how it acts, "its manner of existing in the world," including its effects on the observers and inhabitants of a building as well as on the landscape that situates it. In the process, Leatherbarrow transforms our way of discussing buildings from a passive technical or programmatic assessment to a highly active and engaged examination of the lives and performances, intended and otherwise, of buildings.

Document Design

The must-have resource drawing together all aspects of hospital care of the horse and specialist techniques in equine medicine. Written by a team of over 30 international experts working at the cutting edge of equine medicine and surgery. The emphasis is on practical, easy-to-access information, with a sound basis in evidence based medicine and full references for further enquiry. The Equine Hospital Manual covers the range of procedures used on hospitalized adult horses and foals from the simple to the advanced. The book is liberally illustrated with photographs and line drawings. Covering: Basic skills including physical examination, blood collection, and bandaging Advanced skills including mechanical ventilation, lung biopsy and cardiac output measurement Designing and setting up an equine hospital Biosecurity Therapeutic drugs used in horses and their doses Nutrition for hospital patients, including TPN and PPN Fluid therapy – choices, amounts and pitfalls Anaesthesia – equipment, techniques and post-operative care including analgesia Reflecting the substantial trend in recent years to treat horses in a hospital rather than in the field, this book provides all you need to know whether you have facilities to treat one or one hundred horses.

1001 Brilliant Writing Ideas

It's a fair bet that most of what you think you know about oil prices is wrong. Despite the massive price fluctuations of the past decade, the received wisdom on the subject has remained fundamentally unchanged since the 1970s. When asked, most people – including politicians, financial analysts and pundits – will respond with a tired litany of reasons ranging from increased Chinese and Indian competition for diminishing resources and tensions in the Middle East, to manipulation by OPEC and exorbitant petrol taxes in the EU. Yet the facts belie these explanations. For instance, what really happened in

late 2008 when, in just a few weeks, oil prices plummeted from \$144 dollars to \$37 dollars a barrel? Did Chinese and Indian demand suddenly dry up? Did Middle East conflicts magically resolve themselves? Did OPEC flood the market with crude? In each case the answer is a definitive no – quite the opposite in fact. Industry expert Salvatore Carollo explains that the truth behind today's increasingly volatile oil market is that over the past two decades oil prices have come untethered from all classical notions of supply and demand and have transcended any country's, consortium's, cartel's, or corporate entity's powers to control them. At play is a subtler, more complex game than most analysts realise (or are unwilling to admit to), a very dangerous game involving runaway financial speculation, self-defeating government policymaking and a concerted disinvestment in refinery capacity among the oil majors. In *Understanding Oil Prices* Carollo identifies the key players in this dangerous game, exploring their competing interests and motivations, their moves and countermoves. Beginning with the 1976 oil embargo and moving through the 1986 Chernobyl incident, the implementation of the US Clean Air Act Amendments of 1990, and the precipitous expansion of the oil futures market since the turn of the century, he traces the vast structural changes which have occurred within the oil industry over the past four decades, identifying their economic, social and geopolitical drivers, and analysing their fallout in the global economy. He explores the oil industry's decision to scale down refining capacity in the face of increasing demand and the effects of global shortages of petrol, diesel, jet fuel, fuel oil, chemical feedstocks, lubricants and other essential finished products, and describes how, beginning in the year 2000, the oil futures market detached itself almost completely from the crude market, leading to the assetization of oil, and the crippling impact reckless speculation in oil futures has had on the global economy. Finally he proposes new, more sophisticated models that economists and financial analysts can use to make sense of today's oil market, while offering industry leaders and government policymakers prescriptions for stabilising the market to ensure a relatively steady flow of affordable oil. A concise, authoritative guide to understanding the complex, oft misunderstood oil markets, *Understanding Oil Prices* is an important resource for energy market participants, commodity traders and investors, as well as business journalists and government policymakers alike.

Now That You've Had a Home Inspection

The first full-length collection of essays on the poetry of Carol Ann Duffy. Duffy's poetry is both respected by academics, and widely read and enjoyed by both children and adults. Approaches Duffy's work from a variety of literary theoretical perspectives, including feminism, masculinity, national identity and post-structuralism. Situates Duffy's work in relation to current debates about the state, value and social relevance of contemporary British poetry. Will become the benchmark anthology on Duffy.

Monsters Party

A point-by-point analysis of the premises and implications of economic globalization

Deadly Stillwater

This brief text identifies the issues, resources, actors, and institutions involved in public policy making and traces the dynamics of the policymaking process, including the triggering of issue awareness, the emergence of an issue on the public agenda, the formation of a policy commitment, and the implementation process that translates policy into practice. Throughout the text, which has been revised and updated, Gerston brings his analysis to life with abundant examples from the most recent and emblematic cases of public policy making. At the same time, with well-chosen references, he places policy analysis in the context of political science and deftly orients readers to the classics of public policy studies. Each chapter ends with discussion questions and suggestions for further reading.

The Daddy Book

How often do you hear your pupils cry 'what can I write about?' 1001 Brilliant Writing Ideas offers teachers endless ideas and inventive suggestions, opening up new opportunities for creative writing lessons. With over 1000 different 'story-starters' across a vast range of genres and narrative styles, this versatile book provides food for thought for pupils of a wide range of ages and abilities. This highly practical and richly illustrated photocopiable resource Addresses the 'blank mind' dilemma, offering pupils a plethora of story-writing ideas and suggestions Enables teachers to inspire pupils who struggle with creative writing Provides prompts to set ideas into motion, whilst leaving plenty of scope for original and creative thought Challenges pupils, encouraging them to use higher level thinking skills Offers mix and match stimulus pieces which can be used independently or put together to give pupils more or less support as required Any teacher whose inventiveness is flagging, and whose pupils are running out of ideas, will find this an essential classroom resource.

Spinetingler Magazine Fall 2017

Public Policy Making

The Black Kachina

Danny Wallace has friends. He has a wife and goes to brunch, and his new house has a couch with throw pillows. But as he nears 30, he can't help wondering about his best childhood friends, whose names he finds in a long-forgotten address book. Where are they now—and where, really, is he? Acting on an impulse we've all had at least once, he travels from London to Berlin, Tokyo, Australia, and California, risking rejection and ridicule to show up on his old pals' doorsteps. Memories of his 1980s childhood—from Michael Jackson to Ghostbusters—overwhelm him as he meets former buddies who have blossomed into rappers and ninjas, time-traveling pioneers, mediocre restaurant managers, and even Fijian royalty. Danny's attempt to re-befriend them all gives remarkable new resonance to the age-old mantra, "friends forever!"

Architecture Oriented Otherwise

A chilling tale of murder and secrets set against the treacherous slopes of a ski lodge—from “the queen of the American gothics” (The New York Times). Linda Earle’s stepbrother had a bright future. An aspiring athlete, he was being mentored by championship skier Julian McCabe, but then his career was cut short when he was accused of murdering Julian’s wife, Margot. Convinced of his innocence and determined to clear his name, Linda takes a job as après-ski hostess at the McCabe’s Pocono lodge, nestled in the shadow of their imposing estate. Once Linda insinuates herself into the guarded family, she discovers that everyone behind the walls of Greystones mansion had a reason to murder the much-hated Margot, including her disturbed daughter, her malicious and jealous sister-in-law, even the brooding and handsome Julian, with whom Linda is falling dangerously in love. But with a mysterious killer in a house of secrets, Linda has reason to fear that anyone—including herself—could be the next victim. New York Times–bestselling author “Phyllis Whitney is, and always will be, the Grand Master of her craft” (Barbara Michaels). This ebook features an illustrated biography of Phyllis A. Whitney including rare images from the author’s estate.

Deadly Stillwater: A compelling crime thriller By (Mac McRyan Mystery Series Book)

Finding Dory

The Dishonorable Miss Delancey

"I'd been a grown-up since age twelve, when my father strangled my mother and took my family, my home, my cat, and any chance at ever having a normal life away from me." The teenage daughter of a killer. "Kevin thinks he's a millionaire.

This jar of pennies weighs a ton, so Kevin thinks he must be rich, but there's no connection between weight and value. Kevin's father is proof of that." What happens when Santa threatens to put Kevin on the naughty list? A divorced dentist. A former prostitute. A retired cop. An escaped convict. The daughters of a drunk. These are just some of the characters who bare their souls in this issue of Spinetingler Magazine. How does unimaginable loss redefine a teenager's life? What does it take for a mother who's barely coping with life to learn to appreciate her son? What could cause fifty-year-old secrets to surface? What truths will surface when our diverse cast of characters faces their defining moments? Join us on journeys fascinating and unforgettable.

Derek's Notebook

Tainted by scandal and forced to leave London for the quiet of Brighton, the Honorable Miss Clara DeLancey is a shadow of her former society self. A chance encounter brings her a healing friendship with the sisters of an injured naval captain. But Clara's mama, the Viscountess Winpoole, is appalled at the new company she's keeping. Captain Benjamin Kemsley is not looking for a wife. But his gallant spirit won't let him ignore the penniless viscount's daughter--not when she so obviously needs to be rescued from the despair that threatens her from day to day. Can he protect his heart and still keep her safe? When they're pushed into the highest echelons of society at the Prince Regent's Brighton Pavilion, this mismatched couple must decide if family honor is more important than their hopes. Can they right the wrongs of the past and find future happiness together--without finances, family support, or royal favor?

If I Had a Hammer

Wall Street's miasmal garbage washes up on the Jersey Shore when a small time broker falls in love: Is he attracted to the beautiful lady — or her brother's inside information? Held spellbound by a steamy, auburn-haired woman with a dubious past and a get-rich-quick, insider trading scheme, Austin Carr knocks down a beehive of bad-acting Bonacellis, including the ill-tempered "Mr. Vic" Bonacelli, who wants his redhead back, and local mob lieutenant Angelina "Mama Bones" Bonacelli, architect of a strange and excruciating death trap for the fast-talking stockbroker she calls smarty pants. To survive, Austin must unravel threads of jealousy, revenge and new affections, discover the fate of a pseudo ruby called the Big Mojo and slam the lid on a pending United States of America vs. Austin Carr insider trading case. Can Austin and his Jersey Shore mouthpiece possibly out maneuver the savvy U.S. District Attorney from Manhattan? Will anything matter for Austin ever again if Mama Bones flips that switch? Praise for BIG MOJO ... "Darkly comic and always entertaining — with an outrageous cast of characters including a scheming grandmother and a mysterious redhead. Our engaging hero, fueled by honor and passion, does the best he can in a world where the bad guys seem determined to do him in. Gordon Gekko meets Janet Evanovich in this wry and winning caper — Jack Getze does it again!" — Hank Phillippi Ryan, Agatha, Anthony and Mary

Higgins Clark Award winning author of Truth Be Told “If Jack Getze’s Austin Carr novels aren’t on your must-read list, you don’t know what you’re missing. Austin Carr’s that buddy your wife doesn’t like you to hang out with. Fast-talking, wisecracking, and hard-living, he’s the type of guy who swears he’s only ever looking for a good time, and yet every night out with him seems to end in a fight. But you can’t deny he’s got heart — and BIG MOJO is Carr’s most epic adventure yet. It’s got frame-ups. Insider trading. Stolen jewels. Double-crosses. Triple-crosses. Love potions. Gunplay. And enough outsized characters it could only take place in the great state of New Jersey. So pick it up. Give it a read. But maybe tell the missus you’re hanging out with someone else.” — Chris F. Holm, author of the Collector Series “There’s no way you can lose with an Austin Carr novel with a gorgeous redhead, a character with the moniker of “Mama Bones”, a double-crossing business partner, more bad guys than can be seen in one place outside of the White House, and Austin’s smart mouth that surely he learned by reading lots of Robert B. Parker’s character Spenser ... A truly rollicking, fun, action-filled read with more twists than a fevered revival of Hula Hoop fanatics at a Jersey Shore ballroom ... And then, there’s that redhead. Always that redhead ... ” — Les Edgerton, author of The Genuine, Imitation, Plastic Kidnapping and others “The irrepressible Austin Carr is back, and he’s sly and sardonic as ever. Jack Getze’s BIG MOJO is a rollercoaster ride you don’t want to miss!” — Hilary Davidson, Anthony Award Winning Author of Blood Always Tells

Played to Death

New York Times and USA Today bestselling author Jana DeLeon brings you the first book in the Ghost-in-Law series. Family can be the death of you Scientist Maryse Robicheaux thought that a lot of her problems had gone away with her mother-in-law's death. The woman was rude, pushy, manipulative and used her considerable wealth to run herd over the entire town of Mudbug, Louisiana. Unfortunately, death doesn't slow down Helena one bit. DEA Agent Luc LeJeune is wondering what his undercover assignment investigating the sexy scientist has gotten him into - especially as it seems someone wants her dead. Keeping his secrets while protecting Maryse proves to be easier than fighting his attraction for the brainy beauty. Trouble in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the first book in the New York Times bestselling Ghost-in-Law series. Trouble in Mudbug has a cozy mystery feel and features a strong heroine turned amateur sleuth, a sexy hero, and a ghost unlike any you’ve ever heard of. It appeals to fans of light paranormal, paranormal romance, cozy mysteries and also to fans of the Stephanie Plum series by Janet Evanovich. Trouble in Mudbug is a free ebook at Google Play. "Southern wit at its best!" - NYT Bestselling author Gemma Halliday "Sinfully funny!" - NYT Bestselling author CC Hunter/Christie Craig “DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story.” - RT Book Reviews “I don’t know where she comes up with this funny stuff, but I can’t wait to read the next book...” - Night Owl Reviews “Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling.” - The Romance Reader “Son of a gun, we’re having fun in the bayou!” - Fresh Fiction “The quirky characters keep the action moving...” - Barbara Vey, Publisher’s Weekly Blogger To learn more about Jana and her books visit her at:

Little Girl Lost

Tell Me No Spies

On 29 March 1945, Orwell's wife Eileen died, aged 39. Her last, long, very moving letters to her husband are printed here. Less than six months later the novel that she might be said to have nurtured and which gave Orwell world-wide fame, *Animal Farm*, was published. For a little over three months Orwell worked as a War Correspondent for the *Observer* and the *Manchester Evening News*. As well as 74 books specifically reviewed, many others were discussed briefly in essays and in her column 'As I Please'. 'Politics and the English Language', one of Orwell's most important essays, was immediately reprinted for journalists of the *Observer* and *News of the World* as a guide to good writing. His defence of P.G. Wodehouse, printed here, was written at a time when Wodehouse was still under a cloud. Essays and articles he wrote for the *Observer*, *Manchester Evening News* and *Evening Standard* are reprinted; correspondence shows he had written the first twelve pages of *Nineteen Eighty-Four*. Eileen's will and Orwell's first notes for his literary executor are also reproduced. Orwell kept a careful account of what he earned to assist in making his income tax return. Only one such record has survived (for 12 July 1943 to 31 December 1945) and it is reproduced here, fully annotated.

The Motley Fool Million Dollar Portfolio LP

Austin Carr is a homeless stockbroker. Sort of. He's a salesman. Living on 100% commission during a recession and with child support payments can lead to getting kicked out of your apartment, having your car repossessed and living in a camper. Not even a real camper. A beat up old pickup with one of those camper toppers on it. Which he parks in the lot at Luis's Mexican Restaurant where he also takes advantage of the shower in the employee dressing room. His biggest client has health issues, the client's wife is coming on to him, another client is super pissed about an investment and wants to get revenge, and his supervisor is ready to take him down by any means necessary. Determined to make enough money to meet the child support payments and get to see his kids again, Austin gets mixed up with a redhead which leads to illegal bond and money transfers and in the course of less than two weeks is run down by a car, beat up, his manager tries to shoot him, is buried in sand at the water's edge with the tide coming in, then he's kidnapped and finally becomes the victim of attempted murder by Bluefin (yes, the fish). And when he sneaks in to watch his daughter's swim meets, Austin wears nothing but a speedo.

The Seventh Sense

This book of readings, collected from The Daily Study Bible, offers Barclay's reflections on the event that changed human history: the birth of Christ. It encourages readers to hear anew the echoes of prophecy and the praise of angels; to cultivate within their own lives the desire to love and worship the baby in the manger. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Britain in Europe

The Case Against the Global Economy

The Daddy Book celebrates all different kinds of dads and highlights the many reasons they are so special. Whether your dad walks you to school or walks you to the bus, whether he wears suits or two different socks, whether he has a lot of hair or a little, Todd Parr assures readers that no matter what kind of daddy you have, every father is special in his own unique way. With his trademark bold, bright colors and silly scenes, kids will learn that while no two dads are exactly alike, "all daddies love to hug and kiss you," and that is what is so special about them! Perfect for young children just beginning to read, The Daddy Book is designed to encourage early literacy, enhance emotional development, celebrate multiculturalism, promote character growth, and strengthen family relationships.

Good Tidings of Great Joy

From USA Today bestselling author Robert Swartwood, a heart-pounding conspiracy thriller of riveting mystery and suspense. A message courier pushed into the path of a train. A young woman commits a terrible act of violence. A family man puts a gun to his head. John Smith suspects these aren't random events — someone engineered them. But who — or

what? And why is John Smith their next target? PRAISE FOR LEGION AND ROBERT SWARTWOOD "Legion is an excellent thriller that does what most thrillers set out to do. Keep the readers hooked with a fast paced story, sprinkled heavily with jaw-dropping twists that end on a climax, which will leave the readers wanting more." —Fantasy Book Critic "Robert Swartwood is the next F. Paul Wilson — if F. Paul Wilson's DNA was spliced with Michael Marshall Smith. If you haven't yet read Swartwood, you're missing out." —Brian Keene "Robert Swartwood is a sharp writer, his prose lean and mean as a razor blade. He notches up the tension from chapter to chapter like a master story-teller, keeping you reading long into the night." —The Man Eating Bookworm

Big Mojo

This book includes: the complete xing yi history and lineage going back eight generations; written transmissions taken from hand-copied manuscripts handed down from third and fourth generation practitioners Dai Long Bang and Li Neng Ran; 16 health maintenance and power development exercises handed down by the famous xing yi master, Wang Ji Wu; xing yi qigong exercises handed down by master Wang Ji Wu; xing yi's standing practice and theory is described in detail with photographs of both Wang and Zhang; and xing yi five element long spear power training exercises demonstrated by Zhang Bao Yang.

The Equine Hospital Manual

Have fun, save money, and improve your home with these easy step-by-step projects Are you looking for a way to make your bathroom a little more beautiful? Or maybe you'd like to give your tired furniture a face-lift, improve your home's air quality, or fix a toilet.
