Spirit and Dust

Read Josh Sundquist's posts on the Penguin Blog. One moment Josh Sundquist was your typical energetic and inquisitive nine year- old boy. The next, his entire life changed when he was diagnosed with Ewing's Sarcoma, a particularly virulent cancer strain that would eventually claim Josh's left leg. Told in a wide-eyed, winning, heartbreaking voice, Just Don't Fall is the story of the boy Josh was and of the young man he became. His story begins in a small, close-knit Southern town, where his father-an aspiring pastor questioning his faith, and his mother--homeschooling an ever- growing brood of children-struggle to make ends meet. Josh journeys through a dizzying array of hospitals and eventually lands at a pivotal place: the nearby mountain, where he makes his first attempt to ski. It is on the slopes, and later, on the race course, that Josh's world bursts wide open in a way no one could have ever anticipated. The inspiration to ski, however, and to become a champion, is not all that Josh has to contend with- there is adolescence to navigate, the transition from homeschool to public high school, and girls. There is an increasingly turbulent and difficult home life, with another cancer scare, a wayward brother, and dwindling finances to pay for training. Finally, there is the wild, bumpy road to the Paralympics in Turin, with a misanthropic coach, training in the Rockies, and a timeless friendship with a charismatic, imposing Brooklyn homeboy named Ralph. Through it all, Josh is forced to question his abilities, his sanity, his will, his faith in himself, and his faith in God. Because of, not despite, these myriad obstacles in his path, Josh is able to achieve a genuine grace: the grace to risk failure and to succeed. It is the grace of a young boy becoming a man and of a champion realizing his greatest dream. Josh Sundquist shows us with charm, humility and remarkable strength that even if we fall, this inner grace can lift us up and carry us over the many mountains we all must face.

Maybe some people are just meant to be in the same story." At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah's to tell; the later years are Jude's. But they each have only half the story, and if they can only find their way back to one another, they'll have a chance to remake their world. Stories I Tell Myself

In his debut novel, YouTube personality and author of *We Should Hang Out Sometime* Josh Sundquist explores the nature of love, trust, and romantic attraction. On his first day at a new school, blind sixteen-year-old Will Porter accidentally groped a girl on the stairs, sat on another student in the cafeteria, and somehow drove a classmate to tears. High school can only go up from here, right? As Will starts to find his footing, he develops a crush on a charming, quiet girl named Cecily. Then an unprecedented opportunity arises: an experimental surgery that could give Will eyesight for the first time in his life. But learning to see is more difficult than Will ever imagined, and he soon discovers that the sighted world has been keeping secrets. It turns out Cecily doesn't meet traditional definitions of beauty--in fact, everything he'd heard about her appearance was a lie engineered by their so-called friends to get the two of them together. Does it matter what Cecily looks like? No, not really. But then why does Will feel so betrayed? Told with

From Paralympic ski racer and YouTube star, Josh Sundquist, comes an always-funny (and sometimes-awkward) memoir about teenage misadventures. When I was twenty-five years old, it came to my attention that I had never had a girlfriend. At the time, I was actually under the impression that I was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semiscientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided "grand gesture" at a Miss America pageant, this story is about looking for love--or at least a girlfriend--in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, "Is there something wrong with me?" (Spoiler Alert: the answer is no.)

Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can't seem to access? Have you ever been told you're too "quiet," "shy," "boring," or "awkward"? Are your habits and comfort zones questioned by a society that doesn't seem to get the real you? If so, you might be an introvert. "Unflinchingly irreverent, laugh-out-loud funny, and heartbreakingly honest."
—Elizabeth Acevedo, National Book Award winner and New York Times bestselling author of *The Poet X* In the vein of powerful reads like *The Hate U Give* and *Girl in Pieces*, comes poet Morgan Parker's pitch-perfect novel about a black teenage girl searching for her identity when the world around her views her depression as a lack of faith and blackness as something to be politely ignored. Trapped in sunny, stifling, small-town suburbia, seventeen-year-old Morgan knows why she's in therapy. She can't count the number of times she's been the only non-white person at the sleepover, been teased for her "weird" outfits, and been told she's not "really" black. Also, she's spent most of her summer crying in bed. So there's that, too. Lately, it feels like the whole world is listening to the same terrible track on repeat--and it's telling them how to feel, who to vote for, what to believe. Morgan wonders, when can she turn this song off and begin living for herself? Loosely based on her own teenage life and diaries, this incredible debut by award-winning poet Morgan Parker will make readers stand up and cheer for a girl brave enough to live life on her own terms--and for themselves. "I was inspired by [Maya's] journey and made a point of saving a copy of 'Popular' for my sister, who starts middle school this fall. Maybe if I had read it when I was her age, it could have saved me from a world of hurt, or at least put that world in perspective." —Maude Apatow, New York Times Book Review Can curlers, girdles, Vaseline, and a strand of pearls help a shy girl become popular? Maya Van Wagenen is about to find out. Stuck near the bottom of the social ladder at "pretty much the lowest level of people at school who aren't paid to be here," Maya has never been popular. "[A] superb history. In these thrilling, highly readable pages, we meet Rasputin, the shaggy, lecherous mystic; we visit the gilded ballrooms of the doomed aristocracy; and we pause in the sickroom of little Alexei, the hemophiliac heir who, with his parents and four sisters, would be murdered by the Bolsheviks in 1918." —The Wall Street Journal Here is the tumultuous, heartrending, true story of the Romanovs—at once an intimate portrait of Russia's last royal family and a gripping account of its undoing. Using captivating photos and compelling first person accounts, award-winning author Candace Fleming (*Amelia Lost*; *The Lincolns*) deftly maneuvers between the imperial family's extravagant lives and the plight of Russia's poor masses, making this an utterly mesmerizing read as well as a perfect resource for meeting Common Core standards. "An exhilarating narrative history of a doomed and clueless family and empire." —Jim Murphy, author of *Newbery Honor Books An American Plague* and *The Great Fire* "For readers who regard history as dull, Fleming's extraordinary book is proof positive that, on the contrary, it is endlessly fascinating, absorbing as any novel, and the stuff of an altogether memorable reading experience." —Booklist, Starred "Marrying the intimate family portrait of Heiligman's *Charles and Emma* with the politics and intrigue of Sheinkin's *Bomb*, Fleming has outdone herself with this riveting work of narrative nonfiction that appeals to the imagination as much as the intellect." —The Horn Book, Starred Winner of the Los Angeles Times Book Prize for Young Adult Literature Winner of the Boston Globe-Horn Book Award for Nonfiction A Robert F. Love and First Sight

When I was twenty-five years old, it came to my attention that I had never had a girlfriend. At the time, I was actually under the impression that I was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semiscientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided "grand gesture" at a Miss America pageant, this story is about looking for love—or at least a girlfriend—in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, "Is there something wrong with me?" (Spoiler Alert: the answer is no.)

The first volume of a four-part graphic novel adaptation of the second book in George R.R. Martin's landmark *Song of Ice and Fire* series, the inspiration for HBO's *Game of Thrones*. The four-part graphic novel adaptation of *A Game of Thrones* proved that George R. R. Martin's *A Song of Ice and Fire* has the power to enchant in any medium. Now the story continues as New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding walls of Winterfell, chaos reigns as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert Baratheon's two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard, hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all the land feels the tremors.

A little hero faces big challenges in the first book of this totally unique fantasy-adventure series.

We Should Hang Out Sometime

Lucy lives on the twenty-fourth floor. Owen lives in the basement. It's fitting, then, that they meet in the middle -- stuck between two floors of a New York City apartment building, on an elevator rendered useless by a citywide blackout. After they're rescued, Lucy and Owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above Manhattan. But once the power is back, so is reality. Lucy soon moves abroad with her parents, while Owen heads out west with his father. The brief time they spend together leaves a mark. And as their lives take them to Edinburgh and to San Francisco, to Prague and to Portland, Lucy and Owen stay in touch through postcards, occasional e-mails, and phone calls. But can they -- despite the odds -- find a way to reunite? Smartly observed and wonderfully romantic, Jennifer E. Smith's new novel shows that the center of the world isn't necessarily a place. Sometimes, it can be a person.
