Contains activities, discussion questions, and other exercises that teachers can use along with Julia Cook's illustrated story, "A Bad Case of Tattle Tongue," to teach students the differences between tattling and warning.

Turkey Surprise

Firefighting in Portland boasts many proud traditions and a long and storied history. In 1851, Col. Thomas Dryer, editor of the Oregonian newspaper, decided that it was in the best interest of the city to establish a firefighting force, and with that, he founded the Pioneer Fire Engine Company No. 1. Little better than a bucket brigade, this volunteer force of 37 men wearing red shirts started operations with just a single hand pump. From these humble beginnings, the organization grew to keep pace with a burgeoning city. From the great fire of 1873 and the colorful era of horse-drawn apparatus to technological innovations and community involvement, Portland Fire & Rescues the department is now knownhas valiantly protected lives and property in Portland for more than a century and a half.

Cub Scout Activities

An inspiring story of the fight for women's suffrage, based on the experiences of a

real girl All Bessie wants is to go hiking with her father and brothers. But it's 1896, and girls don't get to hike. They can't vote either, which Bessie discovers when Susan B. Anthony comes to town to help lead the campaign for women's suffrage. Stirred to action, Bessie joins the movement and discovers that small efforts can result in small changes--and maybe even big ones. Inspired by the diary of the real Bessie Keith Pond, a ten-year-old girl who lived in California during the suffrage campaign, author Claire Rudolf Murphy and illustrator Stacey Schuett offer a thought-provoking introduction to the fight for women's rights. A story of hope and determination, *Marching with Aunt Susan* reminds readers that society cannot evolve unless people--even young people--dare to take a stand

Leaves

The Cat in the Candle Factory

A curious bear observes how leaves change throughout the seasons. On board pages.

The Hearts of Horses

Original Boy Scout Handbook is the official handbook of the Boy Scouts of America. It is a descendant of Baden-Powell's original handbook, *Scouting for Boys*, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs. The original edition of the handbook was based on Baden-Powell's work. Ernest Thompson Seton combined his *Woodcraft* manual, the *Birch Bark Rolls*, with Baden-Powell's *Scouting for Boys*. Subsequent works were done by other authors. William "Green Bar Bill" Hillcourt wrote the 6th, 7th, and 9th editions. Frederick L. Hines wrote the 8th, and Robert Birkby the 10th, 11th and 12th editions. The first Official Handbook, subtitled *A Handbook of Woodcraft, Scouting, and Life-craft* was published from July 1910 until March 1911 and appeared in eight distinct variations. It was written by Ernest Seton and drew greatly on Baden-Powell's *Scouting for Boys*, it included information on the organization of Scouting, signs and signaling, and camping, as well as Scouting games and a description of several Scouting honours. Notably, this book did not place emphasis on first aid, knife and axe use, or map and compass work, as later editions would. Because this edition was intended solely as a temporary guide until an authoritative handbook could be made, it is now known as the 1910 Original Edition Handbook. Pedro's Whale

Munster, Indiana was referred to as Strathmore on early railroad maps as workers would tirelessly tie "one strath more." When a young man from the Netherlands by the name of Jacob Munster opened Munster's General Store, complete with a small U.S. Postal Station in the back, more residents populated the area, and the "Town of Munster" was founded in 1907. Munster, Indiana is a photographic tour of the places, people, and events that have shaped the Town of Munster from the 1850s onward. Nearly 250 historically significant images capture the town's growth from a simple farming community to the bustling town it is today.

Boy Scouts Handbook The First Edition 1911

A Bad Case of Tattle Tongue Activity and Idea Book

44 SCOTLAND STREET - Book 3 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. This just in from Edinburgh: the complicated lives of the denizens of 44 Scotland Street are becoming no simpler. Domenica Macdonald has left for the Malacca Straits to conduct a perilous anthropological study of pirate households. Angus Lordie's dog, Cyril, has been stolen, and is facing an uncertain future wandering the streets. Bertie, the prodigiously talented six-year-old, is still enduring psychotherapy, but his burden is lightened by a junior orchestra's trip to Paris, where he makes some interesting new friends. Back in Edinburgh, there is romance for Pat with a handsome young man called Wolf, until she begins to see the attractions of the more prosaically named Matthew. Teeming with McCall Smith's wonderful wit and charming depictions of Edinburgh, *Love Over Scotland* is another beautiful ode to a city and its people that continue to fascinate this astounding author.

Den Chief Handbook

Events happen in life that can awaken our truest and deepest desires. They also show us our greatest fears. Sometimes, we are forced to face those fears; other times, we build unbreakable walls to protect ourselves. The danger, the wild, the chaos, and the lifestyle of the Hellions' world has become too much for Savannah

“Sass” Perchton. Swearing off bikers and attempting a “normal” life, she has settled, committed to Nick, her country club, pretty boy. Things aren’t always what they seem. Wrap an empty box in pretty paper and a bow, and it may look amazing, but it’s still a hollow shell. He’s a Hellions’ playboy. He has a different chick in his bed every time; he’s constantly off on a ride; and he’s always ready for something new. He’s Frank ‘Tank’ Oleander, Hellions’ Road Chief. The fast pace of his life catches up to him. At a crossroads, he is forced to face some life changing thoughts or succumb to the darkness of death. Teetering on the brink of giving in, her voice is all he holds on to. These two once shared a profound connection, but what was previously a strong friendship is now shattered, and fate has stepped in and shaken both their worlds. Can he pull through? Can she ever see beyond the cut, into the heart of the man? Will they find their forever ride? 18 and older due to adult language and content please. The Hellions Ride series can each be read as stand alone stories, however for the best reading experience it is recommended to follow the order. This is a motorcycle club romance and contains the language and grit of a biker. Please understand this is a work of fiction meant to entertain and not a true depiction of life in a motorcycle club. Series reading order One Ride Forever Ride Merciless Ride Eternal Ride Innocent Ride Simple Ride Heated Ride Ride With Me (Hellions MC and Ravage MC Duel co-written by Ryan Michele) Originals Ride Final Ride

Winter's Tail

Midnight, the cat, watches over the candle factory while everyone is asleep.

Boone

Making Peace with Microbes Public sanitation and antibiotic drugs have brought about historic increases in the human life span; they have also unintentionally produced new health crises by disrupting the intimate, age-old balance between humans and the microorganisms that inhabit our bodies and our environment. As a result, antibiotic resistance now ranks among the gravest medical problems of modern times. Good Germs, Bad Germs addresses not only this issue but also what has become known as the "hygiene hypothesis"—an argument that links the over-sanitization of modern life to now-epidemic increases in immune and other disorders. In telling the story of what went terribly wrong in our war on germs, Jessica Snyder Sachs explores our emerging understanding of the symbiotic relationship between the human body and its resident microbes—which outnumber its human cells by a factor of nine to one! The book also offers a hopeful look into a future in which antibiotics will be designed and used more wisely, and beyond that, to a day when we may replace antibacterial drugs and cleansers with bacterial ones—each custom-designed for maximum health benefits.

Munster, Indiana

An eye-opening, fully illustrated story-based on the real event that sparked the bestselling "Just Give Him the Whale!"-this teaching tool will motivate educators to make the most of their students' fascinations and help all children learn.

Creating Your Own Destiny

1001 Word Rebuses is a collection of puzzles based on an old theme: the word rebus. A word rebus is a mixture of text and graphics that contains a hidden word, phrase, or idiom. Word rebuses have been popular for hundreds of years and a TV game show was even based on them. This book contains enough rebuses to keep young and old entertained for many hours.

Webelos Handbook

Scout Jokes is a large collection of jokes targeted toward scouts and various scouting topics such as camping, hiking, campfires, etc. With its large selection of in depth jokes and one liners Scout Jokes is the perfect book for any scout looking to have a good laugh.

1001 Word Rebuses

Latter-Day Saint Biographical Encyclopedia

The omnipresence of the deity, a poem

Describes the rescue and rehabilitation of a young Atlantic bottlenose dolphin, named Winter, who received an artificial tail after being badly injured when caught in a crab trap.

Love Over Scotland

Ken Wells's highly acclaimed picaresque Catahoula Bayou novels introduced "one of the most compelling voices in fiction of the last decade" (Los Angeles Times). Now Wells is back, writing about his favorite subject—the exotic, beleaguered Louisiana wetlands—in a sharp, rollicking tale of corporate corruption and political

shenanigans. The fight over one man's tract of sacred marsh fronts a deeper story of our place in the environment and our obligations to it. Justin Pitre's marsh island, a legacy of his trapper grandfather, is a scenic rival to anything in the Everglades, and he has promised to protect it from all harm. But he hasn't counted on oil bigwig Tom Huff's plans to wreck his bayou paradise by ramming a pipeline through it. When cajolery doesn't sway Justin to sign the land over, Huff turns to darker methods. But Justin and his spirited wife, Grace, prove to be formidable adversaries—and the game is on. Into the fray comes the charismatic Cajun governor Joe T. Evangeline, who seems more interested in chasing skirts than saving Louisiana's eroding coast. The Guv, though, is a man on the edge, upended by a midlife crisis and torn between a secret political obligation to Big Oil and the persuasive powers of Julie Galjour, a feisty environmentalist. Julie is clearly out to reform more than the Guv's ecopolitics, but will his tragicomic Big Oil deals wreck both his career and his chances with the brash and beautiful activist? As Justin and Grace battle to stop this Big Oil assault, the plot thickens—and the Guv becomes snared in the web. Featuring a gumbo of eccentrics and lowlifes, a kidnapping, a sexy snitch, a toxic-waste-dumping scheme, a boat chase, and a fishing trip gone horribly awry, *Crawfish Mountain*, spiced with Ken Wells's keen eye for locale, showcases his adventurous storytelling. From the Hardcover edition.

Village in the Snow

The story of Daniel Boone is the story of America—its ideals, its promise, its romance, and its destiny. Bestselling, critically acclaimed author Robert Morgan reveals the complex character of a frontiersman whose heroic life was far stranger and more fascinating than the myths that surround him. This rich, authoritative biography offers a wholly new perspective on a man who has been an American icon for more than two hundred years—a hero as important to American history as his more political contemporaries George Washington and Benjamin Franklin. Extensive endnotes, cultural and historical background material, and maps and illustrations underscore the scope of this distinguished and immensely entertaining work.

Put your own fate exactly where it belongs—in your hands. It is one of the great questions of life. It's a simple question, really, but it seems impossible for many to answer: Do we control our own destinies? 90 percent of people think and act as if their destiny is foreordained, while only about 10 percent believe in the capacity to change and act on it. *Creating Your Own Destiny* explains and demonstrates to the

majority how to dream, plan, and execute a better future-despite the challenges of the economy and life circumstances. Based on time-honored principles, theories, and case studies Provides a Success Road Map for all those people who are seeking to achieve success but who aren't satisfied with their careers. Written in an easy and accessible tone by Patrick Snow, who has been dubbed "the Dean of Destiny" With the powerful and practical tools featured in this essential guide, you'll find yourself newly empowered and energized to achieve extraordinary results.

Good Germs, Bad Germs

A turkey hides from two pilgrim brothers looking for food for Thanksgiving Day, and they end up finding something better to eat.

Firemanship

Discusses skills, rules, and sportsmanship of exercise including how to earn a Cub Scout physical fitness belt loop, pin, or letter.

Forever Ride

"This book has everything in it to help you complete the requirements for the Den Chief Service Award."--Page 4 of cover.

Portland Fire & Rescue

Crawfish Mountain

Linda Spevacek's reverent setting of a traditional blessing is full of honor and poetic grandeur. A haunting yet flavorful and drum-like accompaniment complements the Native American mood and style and contributes memorable character to this simple and splendid concert closer or encore.

Native American Blessing

This breakout novel from the author of *The Jump-Off Creek* tells the heartwarming story of a determined young woman with a gift for “gentling” wild horses. In the winter of 1917, a big-boned young woman shows up at George Bliss’s doorstep. She's looking for a job breaking horses, and he hires her on. Many of his regular

hands are off fighting the war, and he glimpses, beneath her showy rodeo garb, a shy but strong-willed girl with a serious knowledge of horses. So begins the irresistible tale of nineteen-year-old Martha Lessen, a female horse whisperer trying to make a go of it in a man's world. It was thought that the only way to break a horse was to buck the wild out of it, and broken ribs and tough falls just went with the job. But over several long, hard winter months, many of the townsfolk in this remote county of eastern Oregon witness Martha's way of talking in low, sweet tones to horses believed beyond repair—and getting miraculous, almost immediate results—and she thereby earns a place of respect in the community. Along the way, Martha helps a family save their horses when their wagon slides into a ravine. She gentles a horse for a dying man—a last gift to his young son. She clashes with a hired hand who is abusing horses in unspeakable ways. Soon, despite her best efforts to remain aloof and detached, she comes to feel enveloped by a sense of community and family that she's never had before. With the elegant sweetness of Plainsong and a pitch-perfect sense of western life reminiscent of Annie Dillard, *The Hearts of Horses* is a remarkable story about how people and animals make connections and touch each other's lives in the most unexpected and profound ways.
