The Complete Idiot's Guide to Buying &

Upgrading PCs

This comprehensive design guide is chock full of tips and information needed to create dazzling, professional-quality documents and focuses on how to relate WordPerfect 6 commands into basic design principles. Plus, two bonus disks included with the book are bursting with the best word processing tools, including templates, clip art, and fonts.

A Macintosh Journey

Shows parents how to use educational software to its maximum potential, stressing a hands-on approach to learning with a special "Connections" section that integrates computer play with in-home activities, and reviews popular software packages. Original.

The Whole PC Family Encyclopedia

A lot has happened in the world of digital design since the first edition of this title was published, but one thing remains true: There is an ever-growing number of people attempting to design pages with no formal training. This book is the one place they can turn to find quick, non-intimidating, excellent design help from trusted design instructor Robin Williams. This revised classic--now in full color--includes a new section on the hot topic of Color itself. In The Non-Designer's Design Book, 3rd Editio n, Robin turns her attention to the basic principles that govern good design. Readers who follow her clearly explained concepts will produce more sophisticated and

professional pages immediately. Humor-infused,
jargon-free prose interspersed with design exercises,
quizzes, and illustrations make learning a snap--which
is just what audiences have come to expect from this
best-selling author.

at your own time and pace Office 2013 eLearning Kit For Dummies is the key to unlocking all Office 2013 has to offer.

The Software Encyclopedia

"How quickly we forget! Not so many decades ago, we were all listening to Vaughn Meader's First Family album, Steve Martin on LP, or Columbia's I Can Hear It Now. Alas, spoken word records, like so many aspects of phonography, have been relegated to garage sales and footnotes. Finally, thanks to Jacob Smith's Spoken Word, this important form of entertainment and culture is receiving the attention it so richly deserves." —Rick Altman, author of Silent Film Sound "Jacob Smith's engaging study of spoken word LPs is as revelatory as it is welcome. No other book has so thoroughly explored a phenomenon that was unique to the 1950s and 1960s, when LPs were the only widely available medium that allowed consumers to enjoy repeated exposure to recorded material. —Krin Gabbard, author of Hotter Than That: The Trumpet, Jazz, and American Culture "Smith's work contains historical material that few scholars have studied and many people have never even heard of. The grouping of these unique case studies results in new connections to and between various performance styles, materials, and industries." —Susan Murray, author of Hitch Your Antenna to the Stars

PCs for Kids & Parents

Your all-in-one guide to unleashing your Mac's full

Office 2013 eLearning Kit For Dummies

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to

a new fight-the fight to stay alive.

Paper Towns

The Utne Reader

NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant

immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi "Heartfelt and hilarious—in any language."—Glamour "A joyful success."—Newsday "What's charming beyond the humor of this memoir is that it remains

affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—Los Angeles Times Book Review "Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures."—The Providence Journal "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—Milwaukee Journal Sentinel "[Funny in Farsi] brings us closer to discovering what it means to be an American."—San Jose Mercury News

Macworld

A new edition of the well-loved story of Danny and his father who outwit their greedy, rich neighbour, Mr Victor Hazell. With a great new cover by Quentin Blake as well as a whole new exciting end section about Roald Dahl and his world.

E-Course Microsoft Office 97

Microsoft Office 2010: Essential

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his

window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.
