The A-List #7: American Beauty

You Can Walk in Freedom, Blessing and Victory When You Learn to Possess the Heart, Mind and Mouth of Christ! There is a kingdom on the inside of each of us. Either Jesus sits on the throne, or the devil sits on the throne. In this book, Dr. Zona Hayes-Morrow shows how our words affect our lives. The smallest word of judgement can open the door for the devil to attack. When you talk about another person, you give place to the devil. As Christians, we need to look at the person's heart and not their appearance. The Lord wants our lives to be so filled with His love that when someone else attacks us, we can be ready to forgive immediately, never affecting the love we should have for them. This is not a game we are playing. One quick word can cause a long time of sorrow. This is why it is imperative that we guard our mind, our mouth and our heart. We must pray daily to have the mind, the mouth and the heart of Christ.

The Favored Child

What were pirates really like? How much, if any, of the piratical stereotype - of a dashing handsome man with an eye-patch, peg-leg and a parrot on his shoulder - is based on the documented fact. In this revealing and highly original study David Cordingly sets out to discover the truth behind the piracy myth, exploring its enduring and extraordinary appeal, and answering such questions as: why did men become pirates? Were there any women pirates? How much money did they make from plundering and looting? And were pirates really dashing highwaymen of the Seven Seas or just vicious cut-throats and robbers? From Long John Silver to Henry Morgan, Robert Louis Stevenson to J.M. Barrie, LIFE AMONG THE PIRATES examines

all the heavyweights of history and literature and presents the essential survey of this fascinating phenomenon.
